TAPE # 27

3/3/93

1 (phone ringing)  
2 NEAL: Hello.  
3 JIM: Hello, Steve?  
4 NEAL: I'm sorry, he stepped out.  
5 JIM: Oh, this is Jim. Is David there?  
6 NEAL: Jim?  
7 JIM: Yeah.  
8 NEAL: Yeah. Do you want to speak to him?  
9 JIM: Yeah. Who's this?  
10 NEAL: This is Neal.  
11 JIM: Are you doing okay?  
12 NEAL: Doing fine, sir.  
13 JIM: Okay, good. You're not hurt, are you?  
14 NEAL: No.  
15 JIM: Okay. Good.  
16 NEAL: Okay. Here he is.  
17 DAVID: Say, Jim.  
18 JIM: David, how are you?  
19 DAVID: Look, when we send Kevin out --  
20 JIM: Okay.  
21 DAVID: -- a couple of the guys picked up a  
22 couple of pistols that your boys left behind.  
23 JIM: Oh, okay.  
24 DAVID: And I've demagged them and I've taken  
25 the top railings completely apart.  
JIM: Right.

1           DAVID: And the way I want -- I want these  
2 guys to have these things back and the way I want to do  
3 this is, is when the girls drive up to drop Kevin and  
4 the doggies off, just have the agents go to the -- no,  
5 I'll tell you what. I'll put them in a --

6           JIM: Just leave them in there, David.  
7 Listen, I appreciate --

8           DAVID: -- some plastic on the front of the  
9 car, see-through plastic, so they can see them on the  
10 -- you know, it's daylight anyway.

11          JIM: Hey, I don't need them. You're a good  
12 word that you've got them in a safe place that the  
13 children can't get them, is all I need. That's all I  
14 need. You just tell me --

15          DAVID: Well, we don't need them here.

16          JIM: Well, I know that but just put them  
17 somewhere safely that the kids won't get them and  
18 unload it and that's good enough for me, really. I  
19 appreciate you telling me that. And --

20          DAVID: I just thought these guys might want  
21 them back.

22          JIM: Well, just leave them there. Just  
23 leave them there.

24          DAVID: All right.

25          JIM: Listen, it's my understanding that, you  
know, after you and I talked for awhile and I got the

1 Bible, as you asked, that -- what was his name, Kevin?

2 DAVID: Yeah.

3 JIM: Kevin had come out with some puppies,  
4 is that right?

5 DAVID: Yeah.

6 JIM: Okay. And -- oh, maybe I got the name  
7 wrong. Was it Kevin or was it Mark?

8 DAVID: Mark, I'm sorry.

9 JIM: Okay, okay. Okay, Mark and the  
10 puppies. I've made those arrangements, by the way.

11 DAVID: All right.

12 JIM: And I really appreciate the thing about  
13 the guns. You were able to get them unloaded?

14 DAVID: Oh, yeah.

15 JIM: Okay.

16 DAVID: Yeah. I took the slide off and  
17 everything.

18 JIM: Well, you're pretty good on --

19 DAVID: The guys -- well, like I say --

20 JIM: Some people don't know how to work the  
21 gun safely.

22 DAVID: Yeah, I know about firearms.

23 JIM: Well, good. I'm glad. Remember you  
24 told me the other day some guy in there cranked the  
25 round off when he pulled the magazine out and --

DAVID: No, they thought it was empty.

1           JIM: Oh, he thought -- yeah, but you should  
2 -- that won't happen to you. That's good somebody can  
3 handle them safely in there anyway. I know that's  
4 good.

5           DAVID: Remember, Jim, the majority of --  
6 remember, 75% of the Bible is nothing but about Israel  
7 being expert in war. And the Jews are still that way,  
8 aren't they?

9           JIM: I guess so. That's right. That's  
10 true, yeah. They have a lot of trouble over there,  
11 don't they?

12           DAVID: You know, when you get slaughtered  
13 out and stuff like that, when you're whole history book  
14 is nothing but a Bible of how it -- you get slaughtered  
15 out, you know, you either eventually learn to, to trust  
16 in God and to utilize your principles of creation or  
17 you simply just get slaughtered out.

18           JIM: I understand. Did you, did you find  
19 anymore firearms there or was it just two, David?

20           DAVID: Just two. Did anybody else leave  
21 anything? I mean --

22           JIM: What -- did you find any radios on  
23 there, walkie-talkie things?

24           DAVID: No, like I said, this was only on the  
25 inside perimeter cause, you know, no one's going to be  
walking on the outside anyway.

1                   JIM: Yeah. I went to see one of the agents  
2 who was hurt in the hospital --

3                   DAVID: Uh-huh.

4                   JIM: -- the night before last. And --

5                   DAVID: One of your buddies?

6                   JIM: Yeah, I've known the guy. He, he's  
7 doing okay, you know. They gave him a lot of good care  
8 in there and he's doing all right. He's asking about  
9 you guys. But I said, oh, man, they're going to be all  
10 right. We're talking with him and, you know. So,  
11 everything's okay. But go ahead, I've got the Bible.  
12 So, weren't you going to tell me about some --

13                   DAVID: Well, you know, it's like, you know,  
14 when I talk to people, I, I see very clearly that a lot  
15 of people -- like I say, they, they flaunt their  
16 ignorance about the facts in regards to the Gospel.  
17 You know, they pick out one or two little sweet  
18 statements that their mamma read to them or the  
19 preacher said in Sunday school.

20                   JIM: And they think like they're pius or  
21 something. I know --

22                   DAVID: Well, no, it's not so much that. It  
23 says -- like Paul says, Paul says, you know, that they  
24 have -- talking about the Jews in his day that he was  
25 fighting with.

                  JIM: Uh-huh.

1           DAVID: Remember, you know, Paul the Apostle  
2 was a killer, wasn't he?

3           JIM: Uh-huh.

4           DAVID: He killed Christians, didn't he?  
5 Remember that?

6           JIM: Yeah, uh-huh.

7           DAVID: That's terrible, isn't it?

8           JIM: Yeah.

9           DAVID: The Bible is a whole book about  
10 nothing but killing. Anyway -- so the thing was --  
11 Paul says, he says, I will, I will not deny that they  
12 have a zeal but not according to knowledge he says.  
13 You know, a lot of people are zealous for things, like  
14 people keep Christmas. Why do they keep Christmas for?  
15 It's not the birthday of Christ, you know. It traces  
16 back to the time of celebration of Nimrod, you know.  
17 It's got pagan. It's a paganistic tradition. It's not  
18 a, not a thing to do with Christ but yet they call it  
19 Christ's mass.

20           (Unidentified person in the background  
21 talking to David).

22           DAVID: Do what, Jeff?

23           (Unidentified person in the background  
24 talking to David).

25           DAVID: Maybe they're going to come over here  
and blow us up.

1 JIM: What did he say, David, tell me. I  
2 couldn't hear.

3 DAVID: Oh, he was just talking about the  
4 tanks moving on our property. I told him not to worry  
5 about it.

6 JIM: Oh. We told you they'd be moving.  
7 That's just a shift change.

8 DAVID: Well, they're just down on our  
9 property now.

10 JIM: They are?

11 DAVID: Oh, yeah.

12 JIM: Where, in the back, in the front?

13 DAVID: Yeah. They're talking on the radio  
14 that we're terrorists now. So, --

15 JIM: Oh, that's the media.

16 DAVID: -- no negotiation.

17 JIM: That's the media. Don't listen to  
18 them.

19 DAVID: Well, the thing of it is, like I say,  
20 my God told me to wait and --

21 JIM: I understand.

22 DAVID: -- he -- anyway, these tanks --

23 JIM: What do they look like? I haven't seen  
24 one of those things.

25 DAVID: The way Nahum says -- what?

(Unidentified person in the background

1 talking to David).

2 DAVID: Yeah, I know, they're going to blow  
3 us up.

4 JIM: No, nobody is going to blow you up.

5 DAVID: Well, it's on our road.

6 JIM: Yeah.

7 DAVID: It's on the property.

8 JIM: It's not moving closer. It's --  
9 they're just changing --

10 DAVID: No, it is. It's at Bob's bus now.  
11 It's on our property.

12 JIM: We're just trying to look out for our  
13 people. We don't want anybody to get hurt.

14 DAVID: Well, let me --

15 JIM: That's all that is.

16 DAVID: -- try to get some Nahum to you  
17 before they start --

18 JIM: Get some what?

19 DAVID: -- doing what they're doing.

20 JIM: Oh, okay. Well, they're not going to  
21 do anything.

22 DAVID: Well, they'll just get into position.

23 JIM: Fellow, hey --

24 DAVID: Huh?

25 JIM: David, they're -- I give you my word,  
they're not coming in there.

1           DAVID: They are in the property this time,  
2 all the way in.

3           JIM: But they're not coming any closer and  
4 they're just -- they don't have any guns on those, you  
5 know, they're just armored.

6           DAVID: Yeah. I'm telling you, like I said,  
7 but, you know, they've got to do what they've got to  
8 do.

9           JIM: Well, the tactical guys worry, they  
10 worry about snipers, you know. And that's --

11          DAVID: Worry about -- okay, Jim. We're  
12 looking at Nahum, okay?

13          JIM: Okay.

14          DAVID: Have you got Nahum in your Bible  
15 there?

16          JIM: Well, let me look. Hold on a minute.  
17 Tell me where it is.

18          DAVID: Okay. It's right after the Book of  
19 Micah. You look in the front of your -- Okay. You  
20 got King James or New American Standard or what?

21          JIM: I've got -- hold on a minute -- New  
22 Testament.

23          DAVID: This is in the prophets.

24          JIM: Okay, in the prophets. All right, wait  
25 a minute.

          DAVID: You just got New Testament?

1 JIM: Yeah, I just -- that's what I have.

2 DAVID: Oh, yeah, oh, well.

3 JIM: Give me, give me the -- Old Testament.

4 Okay. That's what I want. Oh, here it is, okay, Micah  
5 6 and 7?-

6 DAVID: No, that's -- this --

7 JIM: Oh, Nahum, okay. I got Chapter 1.

8 DAVID: Okay. The burden of Ninevah.

9 Ninevah was the capital city of Assyria, ancient  
10 Assyria. Now, in this prophecy it says the -- Verse 2  
11 there -- you see it?

12 JIM: Verse 2, okay. Wait a minute. Let's  
13 see -- chapter -- what chapter is that, 1?

14 DAVID: Chapter 1.

15 JIM: Yeah, Verse 2, where God is jealous?

16 DAVID: Right.

17 JIM: Okay.

18 DAVID: Now, God is jealous and the Lord  
19 revengeth. I mean the Lord is beating some butt,  
20 right?

21 JIM: Uh-huh.

22 DAVID: The Lord is revengeth and furious. I  
23 mean have you ever heard of an angry God?

24 JIM: Yeah.

25 DAVID: Okay, the Lord will take vengeance on  
his what?

1 JIM: Adversaries.

2 DAVID: They're the ones who dare challenge  
3 him, right?

4 JIM: Uh-huh.

5 DAVID: He reserveth wrath and reserves means  
6 he's holding it, right?

7 JIM: Uh-huh.

8 DAVID: For his what?

9 JIM: His enemies.

10 DAVID: His enemies, yeah. Now, you know,  
11 like I told you, I said the Lord told me to wait,  
12 right?

13 JIM: Uh-huh.

14 DAVID: The Lord is slow to anger and great  
15 in power and will not at all acquit the wicked. Just  
16 like you, there's no way you would ever acquit me,  
17 okay. So, likewise --

18 JIM: Well, you --

19 DAVID: Likewise. Those who do wickedly, God  
20 is not acquitting them even though they're still  
21 allowed to be free as it seems. The Lord hath his way  
22 in the whirlwind. In Jeremiah 31 it says the fierce  
23 anger of the Lord shall not return until he's performed  
24 the intents of his heart. That's Psalm 45, right, my  
25 heart is inditing a good matter. Remember that?

JIM: Uh-huh.

1           DAVID: So, in the latter days you shall  
2 consider it perfectly. That's what you, you guys are  
3 doing. That's what everyone that heard the radio  
4 program the other night were given a chance to do, they  
5 were given a chance to consider, to consider what I was  
6 saying which is what God says in the book. Now, okay,  
7 and in the storm of the clouds of the dust of his feet,  
8 he rebuketh the sea and maketh it dry, dried up all the  
9 rivers. Bashan, languiseth, Carmel, the flower of  
10 Lebanon languisheth.

11           The mountains quake at him and the hills  
12 melt. The earth is burned at his presence. Yea, the  
13 world and all that dwell therein.

14           So, it's a worldwide event, isn't it? Huh?

15           JIM: Yeah, I suppose.

16           DAVID: Pretty hot, right. So, the prophet  
17 says who can stand before his indignation. Who can  
18 abide in fierceness of his anger. His fury is poured  
19 out like fire and the rocks are thrown down by him.

20           So, you know, that's one aspect of God, isn't  
21 it?

22           JIM: Uh-huh.

23           DAVID: But it says that the Lord is good, a  
24 strong hold in the day of trouble and he knows them  
25 that trust in him. But with an over running flood, he  
will make an utter end of the place thereof and

1 darkness shall pursue his enemies. See, his enemies  
2 won't know about this, will they? Right? The enemies  
3 won't know the meaning of this prophecy, will they?

4 JIM: No, I don't guess they will.

5 DAVID: No. So, God questions by saying,  
6 what do you imagine against the Lord? Now, what do you  
7 guys think you're doing? He will make an utter end.  
8 Affliction shall not rise up the second time. Sure,  
9 yeah, okay, come on, come on out, Dave. Let's go up  
10 here to the, to the modern day, present day, you know,  
11 politicians, right. Well, see, God's gathering the  
12 people together, isn't he? There's some enemies in  
13 this vision. For while they be folden together as  
14 thorns and while they are drunken as drunkards -- these  
15 people are out of their mind -- they shall be devoured  
16 as stubble fully dry.

17 There is one come out of thee that imagineth  
18 evil against the Lord, a wicked counsellor. Now, who  
19 are they imagining evil against?

20 JIM: The Lord?

21 DAVID: The Lord. And what's their counsel?  
22 It's wicked, isn't it?

23 JIM: Uh-huh.

24 DAVID: Thus saith say the Lord, though they  
25 be quiet and likewise many -- even though there's a  
bunch of these guys, right --

1 JIM: Right.

2 DAVID: -- yet thus shall they be cut down  
3 when he shall pass through. God is going to knock them  
4 out, isn't he?

5 JIM: Uh-huh.

6 DAVID: Though I have afflicted thee, I will  
7 afflict thee no more. He's talking about God's people  
8 now.

9 JIM: Uh-huh.

10 DAVID: For now will I break his yoke from  
11 off thee and will burst thy bonds asunder. So, in this  
12 vision, there's a people that trust in God and yet they  
13 kind of have a yoke on their neck, don't they?

14 JIM: Uh-huh.

15 DAVID: This belligerent power here, though  
16 there's many of them, they have to be dealt with by  
17 God, don't they? And the Lord hath given commandment  
18 concerning thee, that no more thy name be sown out of  
19 the house of thy gods will I cut off thy graven image  
20 and the molten image. I'll make thy grave for thou are  
21 vile.

22 Now, here comes the prophecy of Messiah.  
23 Behold upon the mountains the feet of him that bringeth  
24 good tidings, that publisheth peace. O Judah, keep thy  
25 solemn feasts, perform thy vows, for the wicked shall  
no more pass through the, he is utterly cut off.

1           So, the Gospel, the good news is to who, the  
2 wicked or to the people that trust in God? Okay. Now,  
3 what about these people that trust in God? Chapter 2  
4 begins to explain.

5           - He that dasheth in pieces -- right?

6           JIM: Uh-huh.

7           DAVID: Which is the belligerent power, has  
8 come up before thy face. What does God say for these  
9 people to do, keep the what?

10          JIM: Munition.

11          DAVID: What's munition? It's ammunition,  
12 isn't it?

13          JIM: I'm sure it is.

14          DAVID: Watch the way, make thy loins strong,  
15 fortify thy power how? Mightily. The Lord hath turned  
16 away the ecstasy of Jacob. You know, God's people,  
17 they don't look too good, do they, as the excellency  
18 of Israel, for the emptiers have emptied them out, and  
19 marred their vine branches.

20          The shield of the mighty men is made red.  
21 You know, people use shields, don't they?

22          JIM: Uh-hum.

23          DAVID: And the valiant men are in scarlet.  
24 So, you know, people got hurt the other day, didn't  
25 they?

          JIM: Uh-huh. Uh-huh.

1           DAVID: Now, it says something funny here  
2 about these certain chariots that these men will be  
3 riding in.

4           JIM: Uh-huh.

5           DAVID: It says the chariots shall be with  
6 flaming torches. Flaming torches? What's that?

7           JIM: Well, what is that?

8           DAVID: Huh. In the day of his preparation,  
9 the fir trees shall be terribly shaken. Hum. I guess,  
10 I guess that's what their knocking over out here across  
11 the property, there are fir trees, huh?

12                   It says the chariots shall rage in the  
13 streets, they shall jostle one against another in the  
14 broad ways, they shall seem like torches, they shall  
15 run like the lightnings. These things can go pretty  
16 fast, can't they? Huh?

17           JIM: I don't know, David, I've never been in  
18 one.

19           DAVID: Well, the thing of it is is that  
20 these flaming torches are guns, you know that?

21           JIM: Oh, I see.

22           DAVID: The prophet is trying to explain to  
23 you when these prophecies meet their fulfillment when  
24 they fight against the Lord. Now, what happens is the  
25 belligerent power kind of loses one round, a simple  
round, but then it says, he shall recount his worthies,

1 | you know. They reorganize.

2 |           JIM: uh-huh.

3 |           DAVID: But they shall stumble in their walk,  
4 | they shall make haste to the wall thereof, and the  
5 | defence shall be prepared.

6 |           And then it goes, the gates of the rivers  
7 | shall be opened, and the palace shall be dissolved.

8 |           And Huzzab shall be led away captive. Now, I  
9 | know you don't realize what this is talking about, but  
10 | Huzzab means that which is established. And she shall  
11 | be brought up, and her maids shall lead her with her  
12 | voice of doves, tabering upon their breasts.

13 |           But Ninevah is of old like a pool of water,  
14 | stale, stagnate. Yet they shall flee away. Stand,  
15 | stand, shall they cry, but none shall look back.

16 |           What happens? How come this power who seems  
17 | to be so well outfitted with jostling chariots and  
18 | flaming torches and all that, that can make trees  
19 | shake, how come all of a sudden they end up having to  
20 | run for.

21 |           And then all of a sudden it says, take ye the  
22 | spoil of silver, take the spoil of gold. There is no  
23 | end to their store and the glory out of the pleasant  
24 | furniture.

25 |           She is empty, and void, and waste, and the  
heart melteth, and all knees smite together. Who's

1 | scared now? Much pain is in all loins, and all faces  
2 | of them gather blackness.

3 |           I mean these guys must be really terrified.  
4 | What happens?

5 |           Where is the dwelling of the lions and the  
6 | feeding place of the young lions. You know, these,  
7 | these, these, people, wicked people, they thought  
8 | they're tough, didn't they? You know, how people have  
9 | this lion character and all that?

10 |           JIM: Uh-huh.

11 |           DAVID: Where is the lion, even the old lion  
12 | that walked, and the lion's whelp, and none made them  
13 | afraid?

14 |           The lion did tear in pieces enough for his  
15 | whelps, and strangled for his lionesses. I mean isn't  
16 | that what most people do, is provide for their  
17 | families?

18 |           JIM: Uh-huh.

19 |           DAVID: Isn't it?

20 |           JIM: Uh-huh.

21 |           DAVID: Filled his holes with prey, and his  
22 | dens with ravin. Huh. See, God uses symbols sometimes  
23 | to reveal natures of men. What does God say about  
24 | these people with flaming torches?

25 |           Behold, I am against thee, saith the Lord of  
hosts. Remember the father in heaven?

1 JIM: Uh-huh.

2 DAVID: And I will burn her chariots in the  
3 smoke, and the sword shall devour the young lions. You  
4 know, these big tough guys. And I will cut off thy  
5 prey from off the earth, and the voice of my messenger  
6 shall be heard -- no more be heard.

7 Woe to the bloody city. It is full of lies  
8 and robbery and the prey departeth not.

9 Noise of a whip, and the noise of the  
10 rattling of the wheels, prancing horses, and of the  
11 jumping chariots.

12 The horseman lifteth up both the bright sword  
13 and the glittering spear. You know, what, what, what  
14 is all this? You know, these prophecies don't make  
15 much sense, do they?

16 JIM: Well, I'm trying to understand. Go  
17 ahead.

18 DAVID: The great number of carcasses. There  
19 is a number, a multitude of slain, and a great number  
20 of carcasses, and there is no end of their corpses, they  
21 stumble upon their corpses. Why, why do these people  
22 lose for?

23 Because of the multitude of the whoredoms of  
24 the well favoured harlot, the mistress of witchcrafts,  
25 that sell nations through her whoredoms and families  
through her witchcraft.

1 Have you ever heard of Babylon the Great?

2 JIM: Uh-huh.

3 DAVID: Yeah, that's what this prophecy is  
4 talking about.

5 Behold, I am against thee, saith the Lord of  
6 hosts, and I will discover thy skirts upon my face, and  
7 I will show the nations thy nakedness and the kingdoms  
8 thy shame.

9 You know, there's no nation that's been given  
10 greater privileges than the United States of America.  
11 It's supposed to protect its people. It's supposed to  
12 have an ear to listen and to learn. It's supposed to  
13 have freedoms to be able to know the word of God and  
14 what God states. You know, In God We Trust, it says on  
15 the currency, doesn't it?

16 JIM: Yeah.

17 DAVID: But if they don't really know what  
18 God states, they're going to misunderstand.

19 And I will cast abominable filth upon thee  
20 and make thee vile, and I will set thee as a gazing  
21 stock.

22 And it shall come to pass, that all they that  
23 look upon thee shall flee from thee, and say, Nineveh  
24 is laid waste, who will bemoan her? Whence shall I  
25 seek comforters for thee?

Art thou better than populous No. No was an

1 | ancient city.

2 |           JIM: Uh-huh.

3 |           DAVID: Populous means it's just highly  
4 | populated.

5 |           JIM: Uh-huh.

6 |           DAVID: This place was situated among the  
7 | rivers, that had the waters round about it, whose  
8 | rampart was the sea, and her wall was from the sea.  
9 | You know, it was really highly fortified.

10 |           JIM: Uh-huh.

11 |           DAVID: Ethiopia and Egypt were her strength.  
12 | They were their allies. And it was infinite. Put and  
13 | Lubim were thy helpers. But what happened?

14 |           Yet was she carried away and went into  
15 | captivity. Her young children were also dashed in  
16 | pieces at the top of all the streets and they cast lots  
17 | upon the honourable men and all her great men were  
18 | bound in chains.

19 |           So, you know, a lot of empires think they're  
20 | really tough, don't they?

21 |           But it says here, by Nineveh, it says, thou  
22 | also shall be drunken. You know, they're out of their  
23 | minds.

24 |           JIM: Uh-huh.

25 |           DAVID: Thou shall be hid, thou also shall  
seek strength because of the enemy.

1 Do you know who the enemy is? God. They  
2 make God their enemy.

3 JIM: Huh.

4 DAVID: All thy strongholds shall be like fig  
5 trees with the first ripe figs, if they be shaken,  
6 shall even fall into the mouth of the eater.

7 That's easy, isn't it, to knock all their  
8 power out, huh?

9 Behold, thy people in the midst of thee are  
10 women, and the gates of thy land shall be set wide open  
11 unto thine enemies, the fire shall devour thy bars.

12 You know who brings that fire, don't you?  
13 God does. Remember in Psalms 18 where it talked about  
14 Messiah saying that his enemies were too strong for  
15 him?

16 JIM: Uh-huh, yeah.

17 DAVID: They start -- they, they, they  
18 destroy him. And it says that they prevented me the  
19 day of my calamity. And it says, the heavens depart  
20 and God comes down and hits them with fire and  
21 brimstone.

22 JIM: Uh-huh.

23 DAVID: But that's not the end of the world,  
24 though. It takes place before the end of the world.

25 Draw thee waters for the siege, fortify thy  
strongholds, go into the clay and tread the mortar,

1 make strong thy brickklin.

2           There shall the fire devour thee, the sword  
3 shall cut thee off. It shall eat thee up like the  
4 cankerworm, make thyself many as the cankerworm, make  
5 thyself many as the locusts.

6           In other words, you know, it's kind of like,  
7 oh, they can multiply as much as they want to, right?

8           JIM: Uh-huh.

9           DAVID: This, this harlot here, it says, thou  
10 hast multiplied thy merchants above the stars of  
11 heaven. Hum. These, these people got so much -- don't  
12 they? The cankerworm spoileth and fleeth away.

13           Thy crowned are as the locusts, and thy  
14 captains as the grasshoppers. There's too many people  
15 in charge, isn't there? A lot of leaders in this  
16 country, huh?

17           JIM: Uh-huh.

18           DAVID: Called Ninevah in prophecy. Which  
19 camp in the hedges in the cold day. I mean, you know,  
20 they're, they're all out there in the fields and  
21 everything. They're all out there hiding and creeping  
22 down behind the bushes, right, trying to stay warm.

23 But when the sun ariseth.

24           You ever heard of the day spring, Jim?

25           JIM: Uh-huh.

          DAVID: Peter says prophecy will be a light

1 | that shines in a dark place until the day dawn and a  
2 | day spring arise in your heart. Not unless you know  
3 | the mystery of the God, that God declared to service  
4 | the prophets, will you understand these mysteries.

5 |         Yet when the sun ariseth, they shall flee  
6 | away and their place is not known where they are.

7 |         Thy shepherds slumber, O king of Assyria.  
8 | You think all these preachers and teachers of this  
9 | country can show you the Seven Seals? Uh-uh. They're  
10 | sleeping.

11 |         And thy nobles shall dwell in the dust, thy  
12 | people are scattered upon the mountains and no man  
13 | gathereth them.

14 |         There is no healing for thy bruise, thy wound  
15 | is grievous. All that hear the bruit of thee shall  
16 | clap the hands over thee, for upon whom hath not thy  
17 | wickedness passed continually?

18 |         You know, a person read a prophecy like this  
19 | and they say to me, they say, Dave, I don't understand  
20 | that prophecy. Well, naturally, because, first of all,  
21 | we have to figure out how this is good news. You know,  
22 | people always talk about the Gospel, Jesus' good news,  
23 | right?

24 |                 JIM: Uh-huh.

25 |                 DAVID: And they emphasize and magnify one  
point. But on the other hand, they deny that the good

1 news is that if we are with God, God is the one that  
2 finishes the battle. If we are not with the God that's  
3 foretold this things, then we're the ones who end up  
4 being destroyed. All the prophets talk about an event  
5 in latter days where someone is to bring good tidings  
6 to publish his peace. But that peace and those good  
7 tidings are found in one book, the Revelation of Jesus  
8 Christ -- of the time when Christ will return again.

9           Now, who are this heathen that rage? Who are  
10 the ones that bring the jostling chariots with flaming  
11 torches? Who are they? Well, we know they're not  
12 God's people, right? They're the people of the world,  
13 the people that know not God. Okay.

14           That being the case, then, is there any hope  
15 at all for maybe them to reconsider their position? It  
16 may be obvious, according to the judgment of the eye  
17 that a person may be crazy or a person may be a cult  
18 leader. We know what the world said about Christ for  
19 the longest time, don't we? No one 2000 years ago  
20 believed in Christ, did they? And the Book of Acts,  
21 the Jew says to Paul, yeah, we've heard of this act,  
22 for everywhere it is evil spoken of. But when the  
23 truth or the -- truth is lost sight of, then after  
24 awhile even the little simple controversies of old time  
25 become traditional.

          You know, Jim, do you think -- is there any

1 possibility that Nahum could be one of the prophecies,  
2 that when there's time no longer will be finished, had  
3 he declared to service the prophets? What's your  
4 opinion on that?

5 JIM: Well, David, I don't know. I mean you,  
6 you, you believe that's the case, and I'm trying to  
7 understand it.

8 DAVID: Well, he that dasheth in pieces in  
9 Chapter 2, Verse 1, has come up before thy face, who's  
10 face?

11 JIM: Talking about thy face?

12 DAVID: I mean no doubt the person that's  
13 reading it is the one that's informed on it, right?

14 JIM: Right, uh-huh.

15 DAVID: And what does God say, keep the what?  
16 Munition.

17 JIM: Right.

18 DAVID: Watch the way. Fortify that power  
19 how?

20 JIM: Uh-huh.

21 DAVID: Mightily.

22 JIM: Mightily, uh-huh.

23 DAVID: Now, how does the Lord turn away the  
24 ecstasy of Jacob? Well, when you see Jacob, -- when  
25 you see God's people, they don't look too hot, do they?  
No. You see, because the emptiers have emptied them

1 out and marred out their vine branches. I mean, you  
2 know, been terrible, terrible thing. These people look  
3 bad, don't they?

4           The shield of the mighty men is made red, the  
5 valiant men are in scarlet. The chariots shall be with  
6 flaming torches. I mean, you know, bang, bang, bang.  
7 In the presence of his preparation. The fir trees be  
8 mind, terribly shaken. I mean, you know, don't you  
9 think a tank can make a big boom?

10           JIM: Yeah, but it would have to have a gun  
11 on it, though. We don't have guns on those.

12           DAVID: What are those things sticking out  
13 the front, Jim? Are you sure you're getting complete  
14 communication with these guys?

15           JIM: I'll tell you what, I'll double check.

16           DAVID: Okay.

17           JIM: Okay. Go ahead.

18           DAVID: The chariots shall rage in the  
19 streets, they shall jostle one against another in the  
20 broad ways. That's what they sound like. You see, the  
21 prophet can only tell you what he saw. He'd never seen  
22 one of these things in his days. He can only explain  
23 it, you know, from the way he saw it in his day. They  
24 seem like torches. They shall -- I mean they look like  
25 -- I mean they're not really torches with fire but they  
have a fire that comes out of them, don't they?

1 JIM: Yeah, uh-huh.

2 DAVID: They shall run like the -- they're  
3 fast.

4 JIM: Uh-huh.

5 DAVID: You know, like the prophet is trying  
6 to tell you, he said like this is what I saw in vision.

7 He shall recount his worthies. In other  
8 words, you have to sometimes gather up your men. And  
9 it says, they shall stumble in their walk. What  
10 happens? Generally, when people stumble in their walk,  
11 it means they kind of fall, don't it?

12 JIM: Uh-huh.

13 DAVID: Oh, Jim. Like I say, I usually give  
14 -- people say that don't want to hear me, they say I  
15 brainwash, but I give, I give two weeks of study to  
16 most of my students, just to get them familiar with the  
17 prophetic terminologies.

18 JIM: Uh-huh.

19 DAVID: And there are prophecies that are  
20 very, very clear to understand which did not give as  
21 thorough detail. There are prophecies that, that do  
22 not give as much detail but, but the keynote of all of  
23 this is that when there's time no longer, there's a  
24 mystery of God, something God has hid, that's to be  
25 finished. I mean there's something God's going to do,  
right?

1 JIM: Uh-huh.

2 DAVID: Right?

3 JIM: Uh-Huh.

4 DAVID: And he declared it to who? Well, you  
5 know, the next book over there is Habakkuk, right?

6 JIM: Uh-huh.

7 DAVID: Then it says, it says right here, it  
8 says the prophet sees, in Verse 2, he says, Lord, how  
9 long will I cry, and thou will not hear even crying to  
10 thee of what?

11 JIM: Violence.

12 DAVID: And thou wilt not what?

13 JIM: Save.

14 DAVID: Why dost thou shew me iniquity, and  
15 cause me to behold grievance? For spoiling and  
16 violence are before me. I mean this, this sounds --  
17 this is violence, you know. The prophet sees a  
18 terrible event, don't he?

19 JIM: Uh-huh.

20 DAVID: For there are that rise up strife and  
21 what? Contention.

22 JIM: Uh-huh.

23 DAVID: I mean there's some people involved  
24 in this prophecy that are given some real hell, aren't  
25 there?

JIM: Uh-huh.

1           DAVID: Therefore the law is what? Slacked.  
2 And judgment doth never go forth, for the wicked doth  
3 compass about the what?

4           JIM: Righteous.

5           DAVID: So, the righteous are in one  
6 situation. Who's gathering around them? The wicked.

7           JIM: Uh-huh.

8           DAVID: Now, the people on the outside that  
9 are watching this, they're being, you know, -- the good  
10 guys are on the inside. The bad guys are gathered  
11 around them, and the people around them, which are the  
12 -- of the world, they're judging this. And it says,  
13 therefore wrong judgment proceedeth, right?

14          JIM: Uh-huh.

15          DAVID: Huh. It's kind of like we're on the  
16 inside, you boys are on the outside, you know, and  
17 everyone else is beyond you all. They're, they're  
18 having to -- trying to figure out what's going on,  
19 don't they?

20                 Behold ye among the heathen and regard and  
21 wonder marvelously. Yeah, see, you don't know what's  
22 going on, Jim. You're wondering what this is all  
23 about, aren't you?

24                 For I will work a work in your days, which  
25 you will not believe, though it be told you.

                  Now, what's this all about?

1           For I raise up the Chaldeans, that bitter and  
2 hasty nation. Hasty, oh, boy, they move quick. Who  
3 are the Chaldeans? Ancient Babylon. Let me tell you  
4 about the Chaldeans. It's the same spirit that was --  
5 remember that image, the well favoured harlot?

6           JIM: Uh-huh.

7           DAVID: The world and the spirit thereof?

8           JIM: Uh-huh.

9           DAVID: Huh. Well, you see, if God punishes  
10 a man for being a certain way 5000 years ago, he'll  
11 punish a man today for being the same way. So, you  
12 just transfer the same spirit.

13          JIM: Hum.

14          DAVID: But in the days of the -- that's when  
15 Babylon is going to fall -- revelation, Babylon the  
16 Great, the real harlot. That's why the image is --  
17 see, it brings the fall of the real Babylon.

18          Anyway, it says, they shall march through the  
19 breadth of the land, to possess the dwellings that are  
20 not their's.

21          They are terrible and dreadful. Their  
22 judgment and their dignity shall proceed of themselves.

23          You think these people fear God? Do you  
24 think they judge after God's judgment? Do you think  
25 they care about God's judgment, the Book? Do you think  
they care about the one who brings that Book? Do you?

1 JIM: No.

2 DAVID: No, they don't. They don't know  
3 nothing about it, do they?

4 JIM: Uh-huh.

5 DAVID: They're supposed to wonder, aren't  
6 they? Now, it says, their horses are swifter than  
7 leopards. Now, these aren't real horses. Now,  
8 remember, the prophet is trying to explain to you  
9 something, right?

10 JIM: Uh-huh.

11 DAVID: And he's never seen any of these  
12 things before, has he?

13 JIM: Right.

14 DAVID: I mean he sees men -- he recognizes  
15 men. He sees men traveling and things but I mean like  
16 their moving with great speed. In the days of  
17 Habakkuk, they were using horses, mules, things like  
18 that, right?

19 JIM: Uh-huh.

20 DAVID: But he says, their horses are swifter  
21 than leopards. I mean leopards are fast. And are more  
22 fierce than the evening wolves. Now, horses aren't  
23 fierce.

24 JIM: Uh-huh.

25 DAVID: But it depends on if we're talking  
about some kind of vehicle that's dangerous.

1 JIM: Uh-huh.

2 DAVID: And their horsemen shall spread  
3 themselves and their horsemen shall come from far and  
4 they shall fly as the eagle that hasteth to eat.

5 They all come for what reason?

6 JIM: Uh-huh.

7 DAVID: Violence. Their faces shall sup up  
8 as the east wind, and they shall gather the captivity  
9 as the sand.

10 They scoff at the kings. The princes are a  
11 scorning to them. They shall deride every strong hold.  
12 They shall heap up dust and take it.

13 Then shall his mind change, and he shall pass  
14 over and offend. Who does he end up offending? This  
15 big tough person here offends God because he thinks  
16 that his God has power to offend the God he's offended.

17 Imputing this his power unto his God.

18 Well, what happens, I wonder. Let's see  
19 here. The prophet says, art thou not from everlasting,  
20 O Lord my God, mine Holy One? We shall not die. O  
21 Lord, thou has ordained them for what? Judgment.

22 JIM: Uh-huh.

23 DAVID: O mighty God, thou hast established  
24 them for what? They're fixing to get what?

25 JIM: Correction.

DAVID: A big whooping from who? From God,

1 right?

2 JIM: Right, uh-huh.

3 DAVID: Thou art of purer eyes than to behold  
4 evil, and canst not look on iniquity, wherefore look or  
5 why do you look upon them that deal treacherously, and  
6 holdest thy tongue when the wicked devoureth the man  
7 that is more righteous than he?

8 Wonder who this man he is. Huh. It seems  
9 like one group is devouring this one guy, huh?

10 JIM: Uh-huh.

11 DAVID: And he's more righteous than they,  
12 right?

13 JIM: Uh-huh.

14 DAVID: You know, there's nothing more  
15 righteous than the truth that God sits on the throne  
16 and that's your father, Jim, do you know that?

17 JIM: Yes, uh-huh.

18 DAVID: And your father gave the lamb, your  
19 brother, a book with Seven Seals.

20 JIM: Uh-huh.

21 DAVID: Right?

22 JIM: Right.

23 DAVID: And he's going to come in latter  
24 days. And the only way you'll know him is if he can  
25 show you the seals out of the book, right?

JIM: Uh-huh.

1           DAVID: Anyway, the prophet complains that  
2 God has allowed it to where he makes men as the fishes  
3 of the sea, and as the creeping things -- there's a lot  
4 of them, isn't there?

5           JIM: Uh-huh.

6           DAVID: That have no ruler over -- they all  
7 do their own thing, right?

8           JIM: Right.

9           DAVID: They take up all of them with the  
10 angle and they catch them in their net, and gather them  
11 in their drag. Therefore, they rejoice and are glad.

12           He says the nature of men is kind of like  
13 everyone's got like a hook for everybody else, right?

14           JIM: Right. Wait, show me where you are. I,  
15 I lost --

16           DAVID: The verse is 15.

17           JIM: Okay, yeah, I got it.

18           DAVID: He talks about, you know, about Verse  
19 14 --

20           JIM: Right.

21           DAVID: -- makes men as, you know, --

22           JIM: Fishes of the sea.

23           DAVID: And everyone is out to get something  
24 from somebody else, right?

25           JIM: Right, uh-huh.

          DAVID: And they're all with a fishing hook

1 | and an angle. That's what an angler lure is, you know,  
2 | he's got a fishing hook and a drag is a net.

3 |           JIM: Uh-huh.

4 |           DAVID: Therefore, they rejoice and they're  
5 | glad cause they get, they get gain from this.  
6 | Therefore, they sacrifice unto their net and burn  
7 | incense unto their drag. Because by them, by these  
8 | tools, they're portion is fat. In other words, they  
9 | get rich, don't they?

10 |           JIM: Uh-huh.

11 |           DAVID: And their meat plenteous. It's kind  
12 | of like today, you know, when you're going to high  
13 | school. You buy your nice new car, right?

14 |           JIM: Right.

15 |           DAVID: Why? So, you can get nice pretty  
16 | girls, right?

17 |           JIM: Uh-huh.

18 |           DAVID: So, you'll sacrifice for things that  
19 | you want to get other things.

20 |           Shall they therefore empty their net and not  
21 | spare continually to slay the nations?

22 |           You see, God contends that Babylon -- that  
23 | the merchants are the -- of the earth.

24 |           JIM: Uh-huh.

25 |           DAVID: Can buy their sorceries nations of  
deceit. In other words, always trying to get, get,

1 | get, get, get, get. They don't have time to think  
2 | about what really is at hand.

3 |           Well, the prophet of Hababbuk says, I will  
4 | stand upon my watch. So, you know, supposed to way the  
5 | way, Nāhum says, right?

6 |           JIM: Uh-huh.

7 |           DAVID: And set me upon the tower, and will  
8 | watch to see what he will say unto me, that is this  
9 | belligerent power, the Chaldeans, the Babylonians, and  
10 | what I shall answer when I am reproved.

11 |           Because, you know, these people, their  
12 | dignity proceeds from themselves. They're big shots.  
13 | They're of the world. They don't nothing about God or  
14 | his seals. So, you know, the prophet says that he's  
15 | going to probably be reproved by them.

16 |           The Lord answered me, and said, write the  
17 | vision and make it plain upon tables. Why? That he  
18 | may run that what? Readeth it.

19 |           JIM: Uh-huh.

20 |           DAVID: In other words, for instance, if you  
21 | really understood these prophecies and all these, you  
22 | know, young men and stuff driving around in all these  
23 | little buggies around here, you know, with those  
24 | flaming torches and stuff, if this country really knew  
25 | what was fixing to happen, they would run.

          JIM: Uh-huh.

1           DAVID: For the vision is yet for an  
2 appointed time, but at the end it shall speak and not  
3 lie. So, we're here.

4           JIM: Uh-huh.

5           DAVID: Though it tarry, wait for it because  
6 it will surely come. It will not tarry.

7           JIM: What, what will happen?

8           DAVID: Well, let's find out. This is to  
9 bring down the pride of the last nation that's apart.  
10 You see, God is going to resurrect all the men that  
11 have ever lived on the face of the earth. You know  
12 that, don't you?

13          JIM: Uh-huh.

14          DAVID: And those who neglected to take heed  
15 to God's warnings through our prophecy, have in their  
16 day been able to live their lives with no retribution  
17 from God.

18          JIM: Uh-huh.

19          DAVID: But their sins are still marked  
20 against their name.

21          JIM: Uh-huh.

22          DAVID: So, God, likes to take the wicked and  
23 their pride so that when they are resurrected, guess  
24 who they get to face? The one that came to save him is  
25 the one that's going to destroy him.

          JIM: Uh-huh.

1           DAVID: Wickedness will not rise up in the  
2 second time. No more affliction this time. Okay, now,  
3 here's the key.

4           Behold, his soul which is lifted up is not  
5 upright in him.

6           The proud and the arrogant, those who are  
7 always just doing something for their personal gain and  
8 not -- are looking to God and to his word and to this  
9 throne, they are going to be punished.

10           But the just shall live by his what? Faith.

11           Now, my faith is in God who sits on a throne.  
12 And my father gave me Seven Seals. Now, I do  
13 everything that I can to try to teach them in these  
14 Seven Seals.

15           But there are other people in the world --  
16 yes, also, because he transgresseth by wine. He is a  
17 proud man, neither keepeth at home, who enlargeth his  
18 desire as hell and is as death and cannot be satisfied  
19 but gathereth unto him all nations -- he would -- all  
20 people.

21           You know, you know who the real prince in  
22 this world is? Satan. That's what Isaiah 14 tells  
23 you.

24           JIM: Uh-huh.

25           DAVID: And you know how Satan rules the  
world? Through men. What did Satan promise Christ if

1 | Christ would worship him? Promised him the kingdoms,  
2 | didn't he?

3 |           JIM: Uh-huh.

4 |           DAVID: Promised him authority. Promised him  
5 | power, right?

6 |           JIM: Uh-huh.

7 |           DAVID: And Satan does this to all men.  
8 | These people are considered in the scripture as drunk.  
9 | They're out of their minds. Because, you see,  
10 | transgressing God's law and denying God's offers of  
11 | mercy is worst than anything a man could ever do  
12 | because God's above Satan.

13 |           Shall not all these take up a parable against  
14 | him and a taunting proverb against him and say, woe to  
15 | him that increaseth that which is not his. How long  
16 | and to him that ladeth himself with thick clay.

17 |           These people make themselves little idols,  
18 | don't they?

19 |           Shall they not rise up suddenly that shall  
20 | bite thee.

21 |           Now, on the front of our property out here,  
22 | there's a flag. Have you heard about it yet?

23 |           JIM: Yeah, uh-huh.

24 |           DAVID: Okay. Now, on that flag, there's a  
25 | star of David and there's a silver serpent. There's  
   | Seven Seals there. There's a snake there.

1           It says here, shall they not rise up suddenly  
2 that shall bite thee.

3           Remember when the children of Israel were  
4 doing wrong, how that serpents were sent throughout the  
5 camp and bit them?

6           JIM: Uh-huh.

7           DAVID: Remember that story?

8           JIM: Yeah, uh-huh.

9           DAVID: Okay. That Moses was told to raise  
10 up our brazen serpent --

11          JIM: Uh-huh.

12          DAVID: -- and he held him. Okay. So,  
13 Christ is that snake, isn't he?

14          JIM: Uh-huh.

15          DAVID: Well, in Isaiah 14, God says, for the  
16 heathen not to rejoice because he's going to bring  
17 forth a cockatrice, which is a snake. And his fruit  
18 shall be a fire flying serpent, which talks about  
19 little children.

20          Now, it says here that there are those that  
21 want to step on property that's not their's, right.

22          JIM: Uh-huh.

23          DAVID: They want to increase that which is  
24 not theirs. How long? And it says, shall they not  
25 rise up suddenly that shall bite thee and awake that  
shall vex thee, and thou shall become booties unto

1 | them. Just like Nahum says. Nahum says that finally  
2 | what happens is this belligerent power of the world  
3 | finally steps on somebody's toes that they shouldn't  
4 | step on. God's given them the whole world. He's given  
5 | them all the power and glory that man could afford unto  
6 | them. But, finally, there's one little group, one  
7 | little remnant, and all they do is talk about Seven  
8 | Seals, which is the knowledge of the authority of the  
9 | heavens, you know.

10 |           JIM: Right.

11 |           DAVID: And it says that the heathen will  
12 | regard and they'll wonder. They won't know what's  
13 | going on. The prophets say the heathen will not  
14 | understand. Daniel foretold the same event in the  
15 | latter days. Daniel says, and there's a small remnant.  
16 | Daniel says, the wicked will be doing wickedly and none  
17 | of the wicked will understand but the righteous, they  
18 | shall understand.

19 |           Now, it says here, thou shall become booties  
20 | unto them.

21 |           In other words, everything in this great  
22 | empire becomes the possessions of somebody else.

23 |           It says here, because thou hast spoiled many  
24 | nations, all the remnant of the people shall spoil you  
25 | because of men's blood and for the violence of the  
land, of the city, and of all that dwell therein.

1 the knowledge of the what? See Verse 14?

2 JIM: Of the glory.

3 DAVID: Of the Lord as the waters cover the  
4 what?

5 JIM: Uh-huh.

6 DAVID: Ohhhhhhh.

7 JIM: You okay?

8 DAVID: Yeah, I'm all right. So, anyway, the  
9 way you understand or the first part to be able to  
10 understand every detail of these prophecies, Jim, --

11 JIM: Okay.

12 DAVID: -- is when you get over here to  
13 Verses 20, and it tells you, but the Lord is where?

14 JIM: In his holy temple.

15 DAVID: Where's that at?

16 JIM: That must be heaven.

17 DAVID: Yep. Let all the earth what? Keep  
18 silence before him, right?

19 JIM: Right.

20 DAVID: So, you see, ignorance is something  
21 highly considered in the judgment, highly considered in  
22 the judiciary of heaven.

23 JIM: Uh-huh.

24 DAVID: And we do understand like Habakkuk  
25 says. It says, you know, the God will work a work in  
the days of the heathen which they will not believe --

TAPE #28  
3/3/93

1           DAVID:  -- Assyria, Nineveh, certain titles.

2           JIM:  Uh-huh.

3           DAVID:  But when you see the prophecies of  
4 Daniel, you see that Nebuchadnezzar is the first king  
5 that had an empire, world empire.  He saw an image and  
6 this image was to depict every phase of human rulership  
7 down to the end of time.  That's why the head was the  
8 head of -- Babylon, and the arms, which are part of the  
9 head, right --

10          JIM:  Uh-huh.

11          DAVID:  -- was made of Persia which meant  
12 that, meant that Persia was still Babylon, wasn't it?

13          JIM:  Uh-huh.

14          DAVID:  And Gretia was still made of Persia  
15 and Babylon, wasn't it?

16          JIM:  Right.

17          DAVID:  And Rome was still Greece, made of  
18 Persia and -- you know, when one nation rises up, I  
19 mean it incorporates all people, doesn't it?

20          JIM:  Right.

21          DAVID:  They're all mingled together, aren't  
22 they?

23          JIM:  Uh-huh.

24          DAVID:  Well, that's what the whole image is  
25 all about.

          JIM:  I see.

1           DAVID: It's about a nation or an empire of  
2 all nations.

3           JIM: Uh-huh.

4           DAVID: Now, what nation do you know of in  
5 the end of time, which will be a nation of nations?

6           JIM: Uh-huh.

7           DAVID: Do you know one?

8           JIM: A nation of nations?

9           DAVID: Yeah. Let me say a nation of  
10 nationalities.

11          JIM: Israel?

12          DAVID: Nope.

13          JIM: I don't know.

14          DAVID: Well, what nation has more  
15 nationalities than any other nation in one place?

16          JIM: America?

17          DAVID: Exactly. A nation that -- it comes  
18 and it is built up from the nations. Daniel says, in a  
19 nation where they'll mingle the seeds of men. And from  
20 there, it spreads to all nations.

21                 So, we have, like we say, red, black and  
22 white, all aspects of every form of ancient political  
23 government commingled into one network called the  
24 United States of America.

25          JIM: Uh-huh.

              DAVID: But the way Revelation 13 brings it

1 to view is that the prophet sees that although it's  
2 powerful and dreadful, it still portrays the image of a  
3 lamb, though it speaks as a dragon.

4 JIM: Uh-huh.

5 DAVID: And the Bible begins to explain to us  
6 that there will come a time in the latter -- see, we  
7 are subject to the laws of our nations.

8 JIM: Uh-huh.

9 DAVID: As God told Israel to Jeremiah that  
10 when you go in amongst the heathen nations, you shall,  
11 you know, you shall keep their laws and you shall obey,  
12 you shall pray for the blessings of the city where the  
13 Lord scatters you. Okay. So, you might have peace.

14 JIM: Uh-huh.

15 DAVID: Okay. But there comes a time when in  
16 the finality of all the empires a truth comes into the  
17 world that determines or demands us to either keep  
18 alliance to God and truth or to the dictates and laws  
19 of man.

20 So, Jim, if you had a situation to where you  
21 had to obey the laws of God or laws or man, which laws  
22 would you keep?

23 JIM: Well, I'd try to keep both of them.

24 DAVID: Well, yeah, exactly, if they were in  
25 harmony.

JIM: Uh-huh.

1 DAVID: 'Cause remember laws are really good  
2 for us.

3 JIM: Uh-huh.

4 DAVID: You know.

5 JIM: Right. I understand.

6 DAVID: Yeah, but what if, what if one law  
7 said -- what if the law of the State said you can't  
8 keep the law of God?

9 JIM: All right. I understand.

10 DAVID: Which one -- what one would you have  
11 to do?

12 JIM: Well, you have to do what's right by  
13 your conscience.

14 DAVID: Yeah, okay. So, you'd probably keep  
15 the law of God, if you understand, right?

16 JIM: Yeah, I would. Yeah.

17 DAVID: Okay, but you don't understand it,  
18 though.

19 JIM: Right.

20 DAVID: Not the way we do.

21 JIM: Right, exactly.

22 DAVID: Okay. So, yeah, that's considered in  
23 the judgment but these prophets are not Old Testament.  
24 Remember, Revelation says that their messages will be  
25 revealed when there's time no longer. Their truth they  
were given are given for a time in the end.

1           See, we hear about chariots with flaming  
2 torches. We hear about people that are small. We hear  
3 about a person that has good tidings, you know.

4           JIM: Uh-huh.

5           DAVID: It's kind of like in Jeremiah 50 and  
6 51. It seems like it -- the fall of Babylon takes  
7 place, when in Jeremiah 50 God says, that I have laid a  
8 snare for thee, Babylon, and you will be taken  
9 unawares, for you will strive against the Lord.

10           That's just like Psalms 2 says. It says the  
11 heathen rage -- and they got all these wild  
12 imaginations, you know. Nahum says, why do you mad  
13 against the Lord, oh wicked counsellor, you know.

14           JIM: Uh-huh.

15           DAVID: And it says that the heathen rage.  
16 Let us break his bands asunder and cast his cords away  
17 from us.

18           I mean they don't want to know the field.

19           JIM: Right.

20           DAVID: So, it, it comes down to the saddest  
21 thing in the world. It comes down to where people have  
22 been privileged with literature and ability to read and  
23 see but now they're so full, that they don't care to  
24 learn.

25           So, he that sits in the heavens, sad to say,  
he laughs.

1 'Cause, Jim, let me tell you something about  
2 my father.

3 JIM: Uh-huh.

4 DAVID: He wants your butt.

5 JIM: Uh-huh.

6 DAVID: He wants, he wants to wipe this world  
7 out. It's vanity, it's proud, it's arrogant, it's  
8 corrupt, it's rotten.

9 JIM: Uh-huh.

10 DAVID: Well, let me tell you something about  
11 Christ. He lived here 2000 years ago with humanity,  
12 and he saw that there was hope. Now, the way it  
13 appears to you is our situation here is heavy and tight  
14 and you're concerned, which this is good, that you get  
15 all the people out that you can. And I appreciate  
16 that. Especially the innocent and everything.

17 JIM: We want everyone, uh-huh.

18 DAVID: Okay, now here's the deal.

19 JIM: Uh-huh.

20 DAVID: I feel the same way for you and this  
21 world. I'm in my position because I know what's going  
22 on upstairs, you know. I've done everything in the  
23 world to avoid this. I've done everything in the world  
24 with Robert to avoid this.

25 JIM: Okay.

DAVID: Now, I'm just trying to do my best to

1 get the innocent out, too.

2 JIM: Right.

3 DAVID: When you played that recording on  
4 the, the radio, there may not be very many but there's  
5 going to be someone out there that's going to say, hey,  
6 wait a minute. He showed me point blank that Psalms 45  
7 is the first Seal.

8 JIM: There's a whole lot of people.

9 DAVID: Yeah, I know. And they're going to  
10 say, but wait a minute. But he's a terrorist. But  
11 wait a minute, he's this and he's that. He's a child  
12 molester. He's blah, blah, blah.

13 JIM: But I didn't tell you this, Craig Smith  
14 from the Christian Broadcast Network --

15 DAVID: Yeah.

16 JIM: -- exactly what you said, just there,  
17 happened today. Exactly what you said there happened  
18 today. He called us and said that the Christian  
19 response in support of your message was overwhelming,  
20 incredible. But, but the people were starting to worry  
21 because you didn't come out. Other than that, I mean  
22 he was getting calls -- he said, I can't handle the  
23 calls. That's what he told me.

24 DAVID: Okay. But here's the thing. Did  
25 they also inform them that I have a commander above me?  
I only do --

1 JIM: Well, they're Christians, I'm sure they  
2 know.

3 DAVID: Look, they don't know me, okay. They  
4 are Christians according to what man has taught them.

5 JIM: Uh-huh.

6 DAVID: But the honesty -- what is going to  
7 be the saving grace for all who have heard that tape is  
8 this. They're going to have to look at themselves and  
9 say, irrespective of what we think of this man --

10 JIM: But they're starting to understand,  
11 David. That's the feeling I got, you know.

12 DAVID: Well, look, let me explain.

13 JIM: Because you told me it takes a long  
14 time to learn it.

15 DAVID: Well, here's the deal. The 45th  
16 Psalm is a revelation of Jesus Christ, isn't it?

17 JIM: Okay.

18 DAVID: God said, my heart's -- God wrote a  
19 book about me.

20 JIM: Uh-huh.

21 DAVID: And God has foretold me and called me  
22 to be a warrior, a destroyer of the gentiles.

23 JIM: Uh-huh.

24 DAVID: But before this prophecy is to be  
25 fulfilled, it's been God's purpose to allow mercy and  
truth to go first. That's why before anybody gets hurt

1 | in this world -- if you could understand who the four  
2 | angels were right now, the four corners of the earth,  
3 | right?

4 |           JIM: Uh-huh.

5 |           DAVID: (Indiscernible) says, hurt not until  
6 | we've sealed the servants of our God. And their  
7 | foreheads, right?

8 |           JIM: Uh-huh.

9 |           DAVID: You know what they're sealed with,  
10 | don't you?

11 |           JIM: What?

12 |           DAVID: The seal of the living God. They're  
13 | sealed unto God by accepting and receiving the  
14 | knowledge of God's truth. In other words, their mind  
15 | is enlightened with the light that comes from God's  
16 | word.

17 |           JIM: Uh-huh.

18 |           DAVID: That's given to them by Christ.

19 |           JIM: Uh-huh.

20 |           DAVID: I come, my reward is with me. You  
21 | know all that stuff already.

22 |           JIM: Right. I understand.

23 |           DAVID: Okay. Now, so, because there is such  
24 | a power of unbelief in the world today, due to the  
25 | adversary who rules men by their passions and feelings  
and emotions, what takes place is is there has to be

1 | another judiciary. Angels of God, powerful angels, are  
2 | in continual communication, going back and forth. And  
3 | decisions are being made on every individual that's  
4 | involved in observing this activity.

5 |           JIM: Uh-huh.

6 |           DAVID: Like I said and Habakkuk said -- I  
7 | didn't say it, Habakkuk said it, regard you amongst the  
8 | heathen. There will come a time --

9 |           JIM: We'll all be judged? At some point,  
10 | won't we, David, all be judged?

11 |           DAVID: We're being judged now.

12 |           JIM: Yeah.

13 |           DAVID: The truth is what's judging us.

14 |           JIM: Uh-huh.

15 |           DAVID: You see, now, if Psalm 45 is the  
16 | first seal, well, then what we got to look at, we got  
17 | to look at, well, what's the lesson there? Well, the  
18 | lesson is that Christ is going to destroy his enemies.  
19 | But that's not what we want to worry about.

20 |           JIM: Right.

21 |           DAVID: You see, it's just like you guys.  
22 | There's tanks out here and everything. Well, you know,  
23 | that, that could destroy your enemies, right?

24 |           JIM: Uh-huh.

25 |           DAVID: But you're telling me, you're saying  
to me, you're saying, but, Dave, they're out there.

1 That's a show of arms but they're not there to destroy  
2 you.

3 JIM: Uh-huh.

4 DAVID: They're just there to, to kind of  
5 emphasize that I want you to come my way.

6 JIM: Uh-huh.

7 DAVID: You see?

8 JIM: Uh-huh.

9 DAVID: Okay. But you don't realize that  
10 there is guns a billion times bigger than yours pointed  
11 at you.

12 JIM: Uh-huh.

13 DAVID: You see. Bigger than you, bigger,  
14 and more accurate. And the thing of it is, you can't  
15 see them. You've got guys out here trying to  
16 camouflage themselves, trying to hide, but you don't  
17 see the camouflage that's hurled all around you guys.  
18 You don't know what's fixing to happen to you.

19 Okay. Now, here's the deal. The only way  
20 you can learn what's fixing to happen is if you give  
21 this fool -- well, like you're doing now, you know --  
22 an opportunity to emphasize one thing, that in the  
23 first seal Christ goes forth conquering in the conquer.  
24 You know that, Jim.

25 JIM: Right.

DAVID: And for your lack of knowledge, you

1 don't have that much fear of God. I realize that. But  
2 the thing of it is is Psalm 45. That threat should  
3 scare you.

4 JIM: Uh-huh.

5 DAVID: Because the reason being is that the  
6 real purpose of that is an invitation to the marriage  
7 of the Lamb, Revelation 19. So, instead of the truth  
8 coming to destroy you -- which, oh, yes, if you reject  
9 it, it will destroy you. But the point is is that you  
10 might look at it, judge for yourself. And it says,  
11 blessed are those which are called unto the marriage of  
12 the Lamb. You know, Revelation 19 -- and the heaven  
13 parts and there's the man on the red -- on the white  
14 horse again, right?

15 JIM: Uh-huh.

16 DAVID: And he has a crown, many crowns. He  
17 has a name that no one knows but he himself.

18 JIM: Right.

19 DAVID: And no scholar can tell you what the  
20 name Koresh means. No one knows except one person. He  
21 has a name that no one knows but he himself, but his  
22 name is the word of God.

23 Have you ever heard about the word of God  
24 being made flesh? It's a serious thing, very serious.  
25 So, people are being judged right now, just like we're  
being judged. And, you know, our T.V. doesn't work too

1 | good. We'll hear on the radio. People are calling up  
2 | and they're like, blah, blah, blah, blah, you know, you  
3 | know, cult leader, whatever. Some are saying, well,  
4 | you know, he's got his weird beliefs. Some are being  
5 | merciful, some are not being so merciful, whatever.  
6 | And, you know, cases are being decided right now in  
7 | regards to this -- hey, is Psalm 45 the first seal? Is  
8 | that truth a truth? And then I mentioned the Psalm 1,  
9 | you know.

10 |           JIM: Uh-huh.

11 |           DAVID: Are we to sit in the seat of the  
12 | scornful or the steps of the ungodly or are we  
13 | meditating on the law of God right now? What is God's  
14 | law? Right now, God's law is not Ten Commandments.  
15 | God's law to judge the world is Seven Seals, right?

16 |           JIM: Uh-huh.

17 |           DAVID: That law is Christ, isn't it?

18 |           JIM: Uh-huh.

19 |           DAVID: Revelation of Christ, something  
20 | that's extra. And this is where in the New Testament,  
21 | Jim, Christ explains about how the kingdom of heaven  
22 | will be like ten virgins. Five are wise and five are  
23 | foolish. They were all waiting for the marriage,  
24 | weren't they?

25 |           JIM: Uh-huh.

          DAVID: The five wise got extra oil, though,

1 | didn't they?

2 |           JIM: Right.

3 |           DAVID: And the five foolish didn't get extra  
4 | oil, did they?

5 |           JIM: Un-ah.

6 |           DAVID: Well, what do you think that extra  
7 | oil is? The oil is what gives us light in our  
8 | lanterns, right?

9 |           JIM: Uh-huh.

10 |           DAVID: What do you think that extra oil is  
11 | that they didn't get, that they weren't interested in?

12 |           JIM: I don't know.

13 |           DAVID: Well, what's the last revelation of  
14 | Jesus Christ that's important for us to know? I mean  
15 | you've already got the revelation of Jesus according to  
16 | Matthew, don't you?

17 |           JIM: Uh-huh.

18 |           DAVID: According to Mark, Luke and John?

19 |           JIM: Uh-huh.

20 |           DAVID: Aren't all these men laboring with  
21 | pen to reveal Jesus to you?

22 |           JIM: Uh-huh, that's right.

23 |           DAVID: Well, what's the revelation that we  
24 | need to find then? What's the last part? What's  
25 | extra? That won't be known until there's time no  
longer.

1 JIM: Is that the Seals?

2 DAVID: Well, is it?

3 JIM: I don't know.

4 DAVID: John says something must be  
5 hereafter, didn't he? What must be hereafter? Must  
6 God sit on a throne hereafter?

7 JIM: Uh-huh.

8 DAVID: Must he have a rainbow above his  
9 throne? Must he have a book in his right hand?

10 JIM: Uh-huh.

11 DAVID: Must it be sealed? Must Christ open  
12 it?

13 JIM: Uh-huh.

14 DAVID: And then after he opens it in heaven,  
15 must he come and bring it? I think so. And must we  
16 make a decision for life or death? I don't want to  
17 talk about your, your personal life. I don't want to  
18 talk about things you've done and haven't done.

19 JIM: Right, I understand.

20 DAVID: I want to talk about if the truth  
21 came, would you want to know it.

22 JIM: Uh-huh.

23 DAVID: That's what I care about, Jim.

24 JIM: Uh-huh.

25 DAVID: I mean I care about my children, too.

JIM: I understand. Well, I think I

1 understand it better now that you've explained it to  
2 me.

3 DAVID: But -- are you there, Jim?

4 JIM: Yeah, I'm sorry, I just bumped the  
5 phone. I think I --

6 DAVID: You're starting to catch it a little  
7 bit.

8 JIM: Yeah. I think, I think maybe these --  
9 I think I am getting a feel for it. It is -- it's  
10 really a little clearer to me.

11 DAVID: It's a message of life and death.

12 JIM: I think these people that were calling  
13 into the Christian Broadcast Network, David, were  
14 really receiving their message. Now, you know, there  
15 are so many call-ins and people wanting to hear more  
16 about it and --

17 DAVID: Well, see, so now what happens then,  
18 if you understood more about all the prophets, you  
19 would understand.

20 JIM: Uh-huh.

21 DAVID: That Isaiah says, for they -- talking  
22 about the enemy -- shall surely gather together but not  
23 by me. In other words, God's not backing these guys.

24 JIM: Right.

25 DAVID: And all that gather together against  
thee shall fall for thy sake, my namesake.

1 JIM: Uh-huh.

2 DAVID: Okay. This is what happens is when  
3 these guys if, if they don't, if they don't listen to  
4 me.

5 JIM: Right.

6 DAVID: You know, and they make hasty  
7 decisions like an eagle that hastens to eat. See, the  
8 eagle is a symbol of your currency, too, you know?

9 JIM: Uh-huh.

10 DAVID: It's the national seal.

11 JIM: Right.

12 DAVID: Okay. He claims the wheat and the  
13 barley, doesn't it?

14 JIM: Right.

15 DAVID: Okay. Now, the prophecy also  
16 projects these things. Isaiah says, woe to the nation  
17 overshadowing with wings which is beyond the rivers of  
18 Ethiopia. In other words, this nation is way on the  
19 other side of the world, right?

20 JIM: Right.

21 DAVID: And what happens is is that the  
22 prophecy says that, you know, they sent ambassadors to  
23 a people scattered and (indiscernible) beginning, you  
24 know. And it says their ambassage is not going to work  
25 but they, themselves, are to be instructed, you know.

JIM: Right.

1           DAVID: And it says if they're not  
2 instructed, then God's going to use them as an example  
3 for everyone else in the world who has had a chance to  
4 hear the first point, is Psalm 45 the first seal?

5           DAVID: Now, notice, Jim, this is personal  
6 now, just between me and you.

7           JIM: Okay.

8           DAVID: When, when we first -- when you first  
9 said over the radio -- you asked people to call in, you  
10 know, the teachers or scholars or whatever --

11          JIM: Uh-huh.

12          DAVID: -- to call in and start, you know,  
13 explaining the Seals, remember?

14          JIM: Yeah, but that's what you wanted,  
15 David. You asked for that, remember?

16          DAVID: Yeah, okay. Well, and you heard what  
17 they were saying, right?

18          JIM: Right.

19          DAVID: The Apocalypse and --

20          JIM: Yeah.

21          DAVID: -- you know, metaphor, parabolic.

22          JIM: Yeah.

23          DAVID: Well, you notice how they just  
24 started like yak, yak, yak, yak, yak, right?

25          JIM: Right.

          DAVID: But you notice how they didn't go

1 | according to the prophets?

2 |           JIM: Uh-huh.

3 |           DAVID: But, you know, was not King David a  
4 | prophet?

5 |           JIM: Yeah.

6 |           DAVID: I mean he prophesized a lot of  
7 | Messiah, didn't he?

8 |           JIM: Yeah.

9 |           DAVID: Well, then Psalm 45 point blank tells  
10 | you the details. It's like the Seven Seals are like a  
11 | movie preview, you know. The prophecies give you the  
12 | details --

13 |           JIM: Right.

14 |           DAVID: -- but the Seven Seals in the first  
15 | picture just give you a small picture preview of what  
16 | the event relates to.

17 |           JIM: Uh-huh.

18 |           DAVID: So, that's why in Israel -- that's,  
19 | that's how in Israel we get the rabbi stumped.

20 |           JIM: Right.

21 |           DAVID: Because what we show him is this. We  
22 | say, now, look, how can the Christians be wrong when  
23 | they say that what must be hereafter are these Seals.  
24 | You see?

25 |           JIM: Uh-huh.

          DAVID: When you show them from the prophets

1 | what the Seals are --

2 |           JIM: Right.

3 |           DAVID: -- then that's what they believe in.

4 |           JIM: Right.

5 |           DAVID: This is where Paul says, Paul says,  
6 | that God would have all Israel -- Jew and gentile come  
7 | into harmony, you see. And it's got to be through one  
8 | truth.

9 |           JIM: Uh-huh.

10 |           DAVID: Now, if the Christians are saying  
11 | that the prophecies of the prophets are to be fulfilled  
12 | in the end of the world, then the Jews can't say the  
13 | Christians are wrong, can they?

14 |           JIM: No.

15 |           DAVID: Okay. So vice versa. If the Jews  
16 | are believing today that the prophecies are going to  
17 | fulfilled by Messiah, then the Christians have to say  
18 | the Jews aren't wrong.

19 |           JIM: Uh-huh.

20 |           DAVID: To bring in perfect harmony between  
21 | all people. But, of course, it just seems like today  
22 | the gentiles do not really even care to know about  
23 | these Seals. And this is what's going to judge them.

24 |           JIM: Uh-huh.

25 |           DAVID: Anyway, you got those, those puppies  
ready, Mark? You got a van down there waiting for us?

1 JIM: Yeah, yeah. Dave?

2 DAVID: Yes.

3 JIM: I'll check on the van and you check on  
4 the boy, okay?

5 DAVID: I will.

6 JIM: Oh, hold on just a minute. Let me  
7 check on this. Okay. Dave?

8 DAVID: Yeah.

9 JIM: Oh, okay. I just wanted to say before  
10 we did that, I think I got a better understanding of  
11 that stuff and I appreciate you --

12 DAVID: Well, what I'm saying is is that --

13 JIM: But let, let me tell you that I had to  
14 make some arrangements about those puppies.

15 DAVID: Oh, at least take them to the kennel  
16 cause, you know, you -- they shot their mother.

17 JIM: How -- no, we're not going -- you know,  
18 we want to take care of them. How many, how many are  
19 there?

20 DAVID: How many are there, of the puppies.

21 UNIDENTIFIED SPEAKER: I think there's  
22 eleven.

23 DAVID: Eleven.

24 JIM: Eleven, okay. All right. ...I know  
25 that's -- here's what, here's what I want you to do is  
just have Mark -- can you put them in a box or

1 something?

2 DAVID: Yeah, we'll put them in a box.

3 JIM: Okay. Just have him walk out with the  
4 box and just walk down the driveway to one of those --  
5 to where the stretcher was?

6 DAVID: Right.

7 JIM: Okay, you know, like we did before, the  
8 same thing.

9 DAVID: Uh-huh.

10 JIM: And one of -- that ambulance down there  
11 is going to get him because I don't want nothing to  
12 happen to him now. He's 12 years old, and I'm just --I  
13 want extra precaution. And I want him to walk down to  
14 that ambulance.

15 DAVID: All right.

16 JIM: Okay. And I'll have him and the  
17 puppies on that ambulance. Ain't nothing going to  
18 happen to that boy, okay. We're going to make sure  
19 it's safe.

20 DAVID: Oh, I believe you.

21 JIM: Yeah, I know. I know.

22 DAVID: Make sure it's not a bomb.

23 JIM: Oh, hey, don't worry.

24 DAVID: A puppy bomb.

25 JIM: No, no, no, no. Don't worry about  
that. Don't worry about that. Who's, who -- is he

1 | your boy?

2 |           DAVID: No. Well, you know, all children are  
3 | all of our responsibilities.

4 |           JIM: Okay. Go, go ahead and send him out  
5 | and I'll, I'll advise the ambulance, okay.

6 |           DAVID: Okay. Be sure and tell them --

7 |           JIM: Okay.

8 |           DAVID: -- yeah, okay. And be sure and tell  
9 | the guys around here that he's not doing nothing funny,  
10 | all right?

11 |           JIM: Oh, hey, I -- let me square that away.  
12 | Okay. All right. Let me, let me get them. You just  
13 | get the kid ready but keep the line open.

14 |           DAVID: Okey-doke.

15 |           JIM: Okay.

16 |           (Gap)

17 |           (David speaking to unidentified persons in  
18 | the background).

19 |           DAVID: They'll be -- I'll be running --  
20 | another 15, 20 minutes probably. Boy, I hate to see  
21 | people like Jim perish. God help them.

22 |           (Gap)

23 |           (David speaking to unidentified persons in  
24 | the background).

25 |           DAVID: Well, the word of God does come to  
pass, don't it?

1 (Gap)

2 (David speaking to unidentified persons in  
3 the background).

4 DAVID: Our barrel is on, on the tanks,  
5 right? Our barrels are on the tanks, right? What?  
6 Yeah. Just write her name in it.

7 (Gap)

8 JIM: David?

9 DAVID: Yes, sir.

10 JIM: Hey. I just checked up there, and  
11 they're ready for Mark to walk out.

12 DAVID: All right.

13 JIM: Is his name Jones --

14 DAVID: Yeah.

15 JIM: -- Mark Anthony Jones?

16 DAVID: Mark Jones.

17 JIM: Mark Jones. Okay. He can walk out  
18 with the puppies and tell him to walk down to that  
19 ambulance vehicle and they're going to -- they'll take  
20 good care of him.

21 DAVID: All right. And he's going to bring a  
22 Bible, too. So --

23 JIM: A bottle, okay.

24 DAVID: A Bible for Angelica.

25 JIM: A Bible for Angelica, sure. We'll get  
it to her. Put her name in it.

1 DAVID: That's what -- I just had them do.

2 JIM: Okay. All right. How's Scott's leg  
3 anyway? I haven't heard from him.

4 DAVID: All right. He, he's up and around.

5 JIM: Is he? He's not getting an infection,  
6 is he?

7 DAVID: No.

8 JIM: Okay. Well, we get Mark safely out  
9 there and -- that's real good because you're showing me  
10 some compassion. And I'm going to make sure I tell  
11 that to the, to the commanders, you know.

12 DAVID: I wish I could have a direct line to  
13 all the commanders.

14 JIM: Well, I'm telling them for you.  
15 They're so busy they couldn't sit down and, anyway,  
16 they're running, you know, running around.

17 DAVID: Yeah, they don't know what they're  
18 dealing with. I, I don't blame them.

19 JIM: But, you know, the qualities of a good  
20 leader, right? I mean conviction, compassion, courage.  
21 You've got conviction. I know --

22 DAVID: Well, the thing of it is is that --  
23 like it says in Revelation, it says, in righteous that  
24 he does judge and make war. Now, let's, let's  
25 understand the first principle here and that is people  
don't know where I'm coming from. Small means -- let's

1 say in the days of -- let's say we were Amorites.

2 JIM: Uh-huh.

3 DAVID: And here comes these Israelis, right?

4 JIM: Uh-huh.

5 DAVID: And they're going to overthrow our  
6 city. And Moses is the leader. Now, do you think the  
7 Amorites and Hittites and all those people thought  
8 Moses was a man of God?

9 JIM: Okay, David, excuse me.

10 DAVID: What?

11 JIM: They're saying they're ready and  
12 they're watching for Mark.

13 DAVID: Okay.

14 JIM: Is he, is he there with you?

15 (David speaking to unidentified persons in  
16 the background).

17 DAVID: Can someone get Mark now. They're  
18 boxing up the, the puppies.

19 JIM: They're boxing the puppies up?

20 DAVID: Yeah.

21 JIM: Okay. Okay. Has he got a warm coat?

22 (David speaking to unidentified persons in  
23 the background).

24 DAVID: Yeah, get him, get him some warm  
25 clothes, too.

(Gap)

1 (David speaking to unidentified person in  
2 the background).

3 DAVID: Hey, where's, where's Mom at, son?  
4 Where's Mom at? Tell her to come here.

5 JIM: David? David?

6 (David speaking to unidentified persons in  
7 the background).

8 DAVID: Every one of them. That's the first  
9 thing to do is to shine them up, right.

10 BOBBY: Me, Bobby.

11 JIM: (Laughing) Who's -- who's there,  
12 Bobby? Isn't that the three year old?

13 DAVID: Yeah. No, that's my little one.  
14 What, is she two yet, Rach?

15 UNIDENTIFIED SPEAKER: No, she's only 14  
16 months.

17 DAVID: Oh, she's 14 months. Oh, she's a  
18 cutie, too.

19 JIM: Fourteen months.

20 DAVID: Yeah. Our dogs were malamutes,  
21 registered malamutes.

22 JIM: Oh, really?

23 DAVID: Come here, Bah-bah. Come here.  
24 Ohhhhh. Hello. You want to talk on the telephone?

25 (Jim laughing)

DAVID: Huh? What you eating? Hey, you want

1 | to talk on the telephone? Say, hello.

2 | JIM: Hello. Hello.

3 | DAVID: Hello.

4 | JIM: Hello. Hello, Bobby.

5 | DAVID: Say, hello.

6 | JIM: Hello, Bobby.

7 | DAVID: Hello, Jim.

8 | (Jim laughing)

9 | JIM: Hello, Bobby.

10 | DAVID: You eating candy. You don't want to  
11 | talk, huh? Say, hello. She's, she's eating candy.  
12 | What is that, what kind of candy is that? Oh, it's  
13 | strawberry candy. She's looking at me, though. She's  
14 | real, real -- my children talk real -- early -- hey,  
15 | Bobby, Bobby.

16 | JIM: Yeah. Bobby?

17 | DAVID: Here, say something to her.

18 | JIM: Okay. Bobby, Bobby, this is Jim.

19 | Bobby? Hello. Bobby? How ya doing? You listening to  
20 | me? Bobby, are you listening to me?

21 | DAVID: Say something. Say something, Bobby.

22 | JIM: Say something, Bobby. Say, hi, Bobby.

23 | Say, hi, Jim.

24 | DAVID: She's not being -- she's not being  
25 | talkative.

JIM: She's quiet today, huh?

1 DAVID: Yeah.

2 JIM: Yeah. That's the way the little ones  
3 gets, you know.

4 DAVID: Bah-bah.

5 (David speaking to Steve in the background).

6 DAVID: So, when they going to do that,  
7 Steve? They're starting to do that now?

8 STEVE: Do what?

9 DAVID: Cut everything.

10 STEVE: Are they?

11 DAVID: Well, that's what I thought you said.

12 STEVE: No. No, I haven't heard anything.

13 DAVID: Oh. Watch out.

14 STEVE: I know those guys (indiscernible)  
15 they're in our garage back there doing (indiscernible)  
16 with the plastic things, you know, piddling around.

17 DAVID: They're probably riding the  
18 motorcycles.

19 JIM: Who, the kids are out?

20 DAVID: No.

21 (David speaking to Steve in the background).

22 STEVE: And they ran over our one building, I  
23 watched them run right over the top of that.

24 DAVID: Which building was that?

25 STEVE: The one right next to the shed, like  
next to the garage.

1 Oh, that old, that old shed, that old  
2 building?

3 STEVE: They ran right over the top of it.

4 JIM: What did they do, David?

5 DAVID: Oh, they ran over our building.

6 JIM: Which one?

7 DAVID: Well, I don't know, Jim. You're  
8 supposed to know all that.

9 JIM: Well, I can't see out there. I have to  
10 wait, you know, call them on the radio, get somebody to  
11 call them because I don't -- I can't see out there.

12 DAVID: Yeah.

13 JIM: Is -- it's out in the back, you got  
14 some -- a lot of little buildings out there?

15 DAVID: Yeah, it's the building out near the  
16 garage.

17 JIM: Oh.

18 DAVID: Where all the motorcycles were.

19 JIM: Oh, yeah, okay. You know that little  
20 silver trailer? Is that where you mean?

21 DAVID: Not, not the -- not, not, not the  
22 silver trailer. Yeah.

23 JIM: All right. Let me check on that.

24 (Jim speaking to unidentified person in the  
25 background).

JIM: Check and see if they ran over a shed.

1 David said they did.

2           Okay. Yeah, we're checking -- I'm going to  
3 check on that and see. Was one of those ladies that  
4 came out yesterday one that lived in that little silver  
5 trailer?

6           DAVID: I don't know if she did or not but  
7 usually the one that lived in that trailer was one of  
8 the real, real old ladies.

9           JIM: Yeah.

10          DAVID: They get to a -- and her name was --  
11 her name was -- oh, I can't think. Wait a second.  
12 What, what's -- Trudy. Trudy. She's not here. But  
13 they, you know, see, they're not -- nothing to do with  
14 -- they're just real old ladies. They're like in their  
15 80's or so.

16          JIM: Yeah, wow, really?

17          DAVID: Yeah.

18          JIM: They've been there a long time?

19          DAVID: Well, -- no, what happened was when I  
20 used to travel, I used to go to these, you know, like  
21 orthodox religious meetings, right, where people are  
22 like, you know, real orthodox and they want to dress,  
23 you know, like the --

24          JIM: Yeah.

25          DAVID: -- Amish and all that, Mennonites.

JIM: Yeah. I've seen a lot of them people

1 | in, in Tennessee and --

2 |           DAVID: Right.

3 |           JIM: -- Pennsylvania.

4 |           DAVID: Right.

5 |           JIM: That's kind of interesting. They ride  
6 | these buggies, you know.

7 |           DAVID: Yeah.

8 |           JIM: And have horses. Have you ever seen  
9 | that?

10 |           DAVID: Oh, yeah.

11 |           JIM: Yeah.

12 |           DAVID: And so when, when I give studies, you  
13 | know, they just -- they are so interested. They just  
14 | wanted to learn.

15 |           JIM: Yeah.

16 |           DAVID: So, they come down. And sometimes  
17 | they get, you know, and you got -- it's kind of like  
18 | you got to have half way a nursing home, you know.

19 |           JIM: Oh, I understand. Yeah. That's --

20 |           DAVID: Yeah. Yeah. I bet, I bet they  
21 | freaked out when they got charged with conspiracy to  
22 | murder.

23 |           JIM: I'm, I'm sure they did. I told you I  
24 | took care of that, didn't I?

25 |           DAVID: Well, it's --

          JIM: I took care of that now. That's not

1 | the case. There, there --

2 |           DAVID: It's just so sad 'cause like, you  
3 | know --

4 |           JIM: No. It's -- I know. I understand  
5 | that. And that was just one of the attorneys there but  
6 | they're just held as a material witness and that's all.

7 |           DAVID: Bobby, no, you can't eat my  
8 | telephone.

9 |           (Jim laughing)

10 |          JIM: Heck, don't do that.

11 |          DAVID: Say something.

12 |          JIM: Hi, Bobby, how are you doing?

13 |          DAVID: Bah-bah. Bah-bah.

14 |          JIM: Hi, Bobby. David, is Mark there? Is  
15 | Mark there?

16 |          DAVID: She's not saying nothing, Rach.

17 |          JIM: David?

18 |          DAVID: Well, she ate the thing. She don't  
19 | want to talk, She's eating candy.

20 |          JIM: Oh, okay. Is, is Mark there?

21 |          DAVID: Mark's here now, isn't he? Run and  
22 | get him real quick and then send him out.

23 |          JIM: Yeah, send him out. They're waiting  
24 | for him.

25 |          DAVID: Good kid.

          JIM: He's probably looking for the dog box.

1 (Gap)

2 JIM: Is Rachel doing okay?

3 DAVID: She's fine. Do you want to say  
4 something? Say, hi.

5 JIM: Hi, Bobby. Hi, Bobby. Hello?

6 DAVID: Say something. Hello?

7 JIM: Hello? Hi, Bobby.

8 DAVID: Hello.

9 JIM: Hello. How are you?

10 DAVID: Hello. She almost said something.

11 JIM: I gotta see that child. I bet she's  
12 cute.

13 DAVID: She's beautiful. She's a little  
14 clown.

15 JIM: What color hair?

16 DAVID: Blonde, just like her mother.

17 JIM: Her mother, yeah.

18 DAVID: Bobby, say something. Are you saying  
19 something to her?

20 JIM: Yeah, I was talking to her but she, she  
21 just listened, I guess. Was she grinning or something?  
22 She can hear my voice but she doesn't -- Bobby?  
23 Bobby? Oh, it's okay.

24 (Bobby crying)

25 JIM: Oh, I hear her. How are you, honey,  
huh? How are you?

1           DAVID: I don't guess -- I don't guess she  
2 wants to talk.

3           JIM: I guess she's not too talkative today.  
4 You and me are the guys that do that, right?

5           DAVID: Yeah. Hey -- Dah-dah. Dah-dah. No,  
6 why not? What you want, Nah-nah? -- I can't, what  
7 that means, Rach.

8           JIM: Hey, David, see if you could send  
9 Rachel to speed Mark up a bit.

10          DAVID: Yeah. Where's Mark at now? Mark,  
11 you got the puppies? Okay. You're ready? Okay, Mark,  
12 here's the deal. Yeah, put the picture in, yeah.  
13 Okay, the Bible's in that bag? Okay. And there are  
14 Barbies? Okay. Okay, Mark, look out the window there  
15 and at the front of the gate there's an ambulance.  
16 It's -- like an armored vehicle, right?

17          JIM: Yeah. It's an armored ambulance.

18          DAVID: Okay. It's, it's a big truck, okay.  
19 And just take the puppies up there and then just, you  
20 know, get in with them and they'll take you over to the  
21 place. And give us -- they'll give us a call when you  
22 get there, okay?

23          JIM: David, does, does --

24          DAVID: Not to be scared or nothing.

25          JIM: David, do I need to talk to him?

          DAVID: Uh --

1 JIM: No? All right.

2 DAVID: Yeah, go ahead, yeah, you can talk to  
3 him. Yeah, you know, you can explain it to him. This  
4 is Jim. This is the guy you'll be seeing, okay?

5 MARK: Hello?

6 JIM: Hello, Mark?

7 MARK: Yes.

8 JIM: This is Jim. How are you?

9 MARK: Fine.

10 JIM: Just do what David says, okay?

11 MARK: All right.

12 JIM: Walk out the driveway with the puppies  
13 down to that ambulance -- funny looking truck, okay.

14 And those guys will take you over to me.

15 MARK: All right.

16 JIM: And you'll be fine. You'll be safe.  
17 So, don't be scared. And when you get over here, you  
18 can talk to David.

19 MARK: All right.

20 JIM: Okay. See you later. Bye.

21 MARK: Bye.

22 SITA: Jim?

23 JIM: Yeah. Who's this, Sita?

24 SITA: Hi. You recognize my voice.

25 JIM: Yeah, I've been missing you.

SITA: I'm -- I miss you, too, because I keep

1 hearing different people talking, you know.

2 JIM: Oh, well, yeah, we're pretty busy. I'm  
3 sorry. How ya doing?

4 SITA: I'm doing fine. I'm just missing my  
5 kids.

6 JIM: Well, listen, I want you to come out,  
7 and the kids do need you. They've been asking. And  
8 Human Services has contacted us about that.

9 SITA: Oh --

10 JIM: I'd like to see you guys come out and  
11 get reunited. So --

12 SITA: I know, but I, I got some stuff -- I  
13 got some of their Bibles.

14 JIM: Okay.

15 SITA: Bibles and some -- a few clothes and  
16 their dolls, Barbie.

17 JIM: Okay. I'll get it to them for sure,  
18 Sita.

19 SITA: Jim, could you please?

20 JIM: I guarantee it.

21 SITA: Her name -- their name -- one is  
22 Crystal and Angelica.

23 JIM: Right. I remember them. I'll do that.  
24 Are you going to come out later?

25 SITA: We'll see how it goes. I, I, I much  
want to do this also but we have to wait what's going

1 | to happen. .

2 |           JIM: Okay.

3 |           SITA: And --

4 |           JIM: I understand. I've been talking with  
5 | David, and he said that right now everything's fine.  
6 | He just wanted to wait.

7 |           SITA: Yes.

8 |           JIM: And --

9 |           SITA: Oh, I thank you, too.

10 |           JIM: But I want you guys to hang in there  
11 | because we're going to get you all out here. These  
12 | kids need you.

13 |           SITA: Oh, we love you.

14 |           JIM: These kids need --

15 |           SITA: Thank you for helping.

16 |           JIM: Okay. Well, you just stick with me now  
17 | and --

18 |           SITA: Yeah, I know, because I don't quite  
19 | understand. We just got off from -- out of church and  
20 | went my room, opened my window. All of a sudden these  
21 | guys came -- get out of that trailer and just start  
22 | shooting.

23 |           JIM: I understand.

24 |           SITA: My kids -- if I didn't get up, up in  
25 | my room -- they were in my -- the bunk bed. And you'd  
see it, it's all full of holes. They would have been

1 | gone. Do you know that?

2 |           JIM: I understand that. I'm real sorry  
3 | about that.

4 |           SITA: But you must know why. They didn't  
5 | tell us they was going to come or anything. They just  
6 | start shooting -- just got out of that trailer and just  
7 | shot -- just start shooting.

8 |           JIM: I understand, Sita. I regret that  
9 | happened. I really am sorry that happened.

10 |          SITA: I just hope nothing happens again.

11 |          JIM: Well, that's --

12 |          SITA: I don't understand but I just hope you  
13 | guys can handle your side of -- we didn't do anything.

14 |          JIM: Oh, listen. I can handle it. But you  
15 | guys have got to work with me and you've got to help  
16 | me, you know. And if you do, I mean we can resolve  
17 | this thing safely and quickly. And that's what we want  
18 | to do. And David says he will. And I thought  
19 | yesterday afternoon we were about resolved.

20 |          SITA: Yes.

21 |          JIM: And David says he will. And I want you  
22 | guys to support him on that. And if he does, then you  
23 | can come out here and be reunited with these kids and  
24 | you guys. I mean what kind of life is this, sitting in  
25 | there with, with --

          SITA: Yeah.

1 JIM: -- you know, police everywhere? I mean  
2 that's no kind of a life.

3 SITA: I know.

4 JIM: So, you need to come out and get  
5 reunited and everybody safe. Hey, listen, --

6 SITA: Yes.

7 JIM: -- nobody regrets what happened more  
8 than me and you, too. We know it was bad, but we can't  
9 go back and change it.

10 SITA: I know.

11 JIM: So, we've to take -- right this today  
12 and go forward and do the right thing, you know.

13 SITA: Well, --

14 JIM: You're smart and you're intelligent and  
15 you're --

16 SITA: I try to be.

17 JIM: Hey, has Mark left yet?

18 SITA: They're coming down now. They're  
19 saying good-bye to David.

20 JIM: Saying good-bye to David.

21 SITA: Yes. Every time a kid come, they want  
22 to give him a big hug and stuff.

23 JIM: Well, I understand. It's just those  
24 guys are out there waiting for him, you know.

25 SITA: Okay.

JIM: And I don't want him to --

1           SITA: Yeah. They're, they're saying good-  
2 bye to David.

3           JIM: Okay. Is there -- it's just one  
4 coming, though, right? Is there two kids? Just one,  
5 isn't it?

6           SITA: Uh --

7           JIM: Mark?

8           SITA: Mark.

9           JIM: Yeah. I think it's just Mark.

10          SITA: Yeah, Mark, and the, the little pups.

11          JIM: And the puppies, yeah.

12          SITA: Yeah. They thought they were dead,  
13 too, but when I put that flag, they were yelping.

14          JIM: Oh, really.

15          SITA: So, I, I just take my life for them to  
16 bring them in.

17          JIM: Uh-huh.

18          SITA: Because they were outside, and their  
19 mom, their mom was, you know.

20          JIM: Well, take a deep breath and relax and  
21 everything is going to be fine. We'll get through  
22 this. And, you know, we've already -- 18 kids are in  
23 safe hands and, and the two ladies.

24          SITA: Yeah.

25          JIM: There's no reason for, for the rest of  
you not to be out here. It's just David's got to

1 | decide and you guys have to decide.

2 |           SITA: Uh-huh.

3 |           DAVID: And I mean that's the way to do it,  
4 | you know. (End of tape.)

TAPE #29

3/3/93

1 JIM: That's what you've got to do and you've  
2 got to -- we're both in the position that we've got to  
3 trust somebody. And I got to tell you how much I  
4 appreciate you helping us with all those kids.

5 SITA: Hey, I appreciate you because David  
6 really trusts you.

7 JIM: Yeah. Well, I trust him. I trust him.  
8 And we've had no -- everything we've done has been  
9 solid with the one exception of yesterday when, you  
10 know, he told me he was going to come out after we  
11 played the message and then he didn't. Other than  
12 that, he's been solid.

13 SITA: He was ready.

14 JIM: Yeah.

15 SITA: The guys were putting -- his clothes  
16 changed and everything and then he just had this kind  
17 of vision and he has to do what he's been told also, as  
18 you do, also.

19 JIM: I understand. Well, you know, he, he  
20 may get another vision or a feeling or something that  
21 it's time to leave with his people, you know.

22 SITA: Yeah.

23 JIM: And I'm hoping that that will be soon  
24 and -- you know, it could be. I mean that could be any  
25 moment, you know.

SITA: Yeah. He's waiting.

1 JIM: Maybe, maybe he'll get it, you know.

2 You know --

3 SITA: We're all praying for this.

4 JIM: Well, if you're praying for it, maybe  
5 it will happen.

6 SITA: Uh-huh.

7 JIM: You know, let him know you're praying  
8 for it.

9 SITA: Oh, yes, he does. We've been praying.

10 JIM: Tell him -- and tell him what you're  
11 praying for.

12 SITA: And you guys have to help us out to  
13 pray. Not only him, it's the whole world.

14 JIM: The whole world. Well, listen, I told  
15 David that -- after his message went on the Christian  
16 Broadcasting station, thousands and thousands of people  
17 were calling. And the Christian Broadcasting people  
18 told us they couldn't even keep the phones on the hook.  
19 There were so many calls. But the only disappointment  
20 they had was that, you know, he didn't come out, you  
21 know, with, with all the people because he said he  
22 would. And they were all just so enthused about it.  
23 This guy -- and look at him and he's a leader. And he  
24 has all these, you know, beautiful ideas and he's going  
25 to solve this peacefully. And he told the world he  
would and then he didn't, you know.

1           SITA: No, he was ready, but he got this  
2 vision and he doesn't break his promise. This man --

3           JIM: I understand.

4           SITA: -- I never seen -- but he --

5           JIM: I understand.

6           SITA: -- but he's been beautiful.

7           JIM: I understand that. And I'm hoping  
8 that, that, you know, he may get a, a vision or feeling  
9 or however it comes to him, Sita, you know, maybe that  
10 you or I can't understand. Is, is Mark out yet?

11          SITA: No, just a minute.

12          JIM: Okay.

13          DAVID: Okay, Mark, are you ready? Okay. I  
14 love you now.

15          JIM: Hey, David? Oh, Sita?

16          DAVID: Where's Dave at? Okay. Well, go say  
17 goodbye then to him, all right. Jim?

18          JIM: What? I'm sorry, David.

19          DAVID: Hello?

20          JIM: Yeah, go ahead.

21          DAVID: Just be careful when you walk through  
22 here, not to walk on the phone. All right, I'm here.

23          JIM: How's Mark doing?

24          DAVID: He's fixing to leave now.

25          JIM: Okay. he's fixing to --

          DAVID: He's telling his dad bye.

1 JIM: Okay. His dad's in there?  
2 DAVID: Yeah.  
3 JIM: What, what's his daddy's name?  
4 DAVID: Peter Cottontail Eater.  
5 JIM: What?  
6 DAVID: I'm teasing with you.  
7 JIM: No, no, I just -- I don't know -- I  
8 didn't know his dad was in there.  
9 DAVID: His name is Dave.  
10 JIM: Dave. Okay. Yeah, how are you  
11 feeling?  
12 DAVID: I'm --  
13 JIM: Hey, one thing I wanted to ask you this  
14 morning --  
15 DAVID: Yeah.  
16 JIM: Let me see my note I made when I talked  
17 to that doctor. He was, he was concerned -- I told him  
18 about your wounds and --  
19 DAVID: Well, evidently they didn't hit in --  
20 they didn't hit in my colon.  
21 JIM: Okay. Well, that's, that's one thing  
22 he was asking about.  
23 DAVID: That's the main thing and I would  
24 know -- the fecal material didn't go anywhere, you  
25 know.  
JIM: Okay. And how about urination? He

1 asked about could you urinate.

2           DAVID: Well, the first two times -- well, it  
3 was hard the first two times and blood came out the  
4 first time. And the second time, it was hard to tell.  
5 And the third time I've urinated, it, it, it's all  
6 better.

7           JIM: Oh, it is?

8           DAVID: Yeah.

9           JIM: How -- he asked about bowel movements  
10 also, but I -- that's been okay?

11           DAVID: Well, I haven't had one as of yet but  
12 that's going to be kind of difficult but --

13           JIM: Yeah.

14           DAVID: -- I haven't eaten anything for let's  
15 see -- see, I've only had like soup, you know, chicken  
16 broth soup.

17           JIM: Well, that's good, yeah.

18           DAVID: So, that will, that will keep -- that  
19 will give me the nourishment but it will keep the bulk  
20 out of my system.

21           JIM: Right. I told him you thought, you  
22 know, it might have busted your pelvis and, and a  
23 pelvic bone or something.

24           DAVID: Yes.

25           JIM: And he said, yeah, that would of course  
affect your walking or anything like that.

1 DAVID; Yeah.

2 JIM: And he, he -- then he asked about the  
3 location of the wound, front and back and especially  
4 your pulse. He said your pulse was real important so  
5 you weren't in shock, you know. And he said --

6 DAVID: Well, it was real, real low.

7 JIM: Right. Low?

8 DAVID: But then what happened was it was --  
9 then it -- something, something over -- something over  
10 80, something --

11 JIM: Well, that's blood pressure.

12 DAVID: And what, what was the pulse?

13 JIM: The pulse is, you know, how many beats  
14 per minute on your heart. He said, he said blood  
15 pressure is only one indicator and you need to check on  
16 the pulse because it could be like --

17 DAVID: Rach? Be sure and tell him.

18 (An unidentified person speaking in the  
19 background to David)

20 DAVID: Okay. Yeah, tell everybody.

21 JIM: Check your pulse for me some time  
22 later.

23 DAVID: Okay. Well, I can -- what was my,  
24 what was my pulse the last time you read it?

25 (An unidentified person speaking in the  
background to David)

1 | his condition is satisfactory and it is stable. His  
2 | observations are quite satisfactory.

3 |           JIM: Okay.

4 |           JULIENNE: Yeah.

5 |           JIM: Now, can you tell me where that front  
6 | wound is? He said it was lower abdomen.

7 |           JULIENNE: Yes, it was lower left abdomen.

8 |           JIM: Lower left, okay. Is it --

9 |           JULIENNE: Yes,

10 |           JIM: -- is it near his belly button?

11 |           JULIENNE: No, further down, near the iliac  
12 | crest, on the left.

13 |           JIM: Oh, I see, okay.

14 |           JULIENNE: Yes.

15 |           JIM: Is he, is he bleeding bad or anything?

16 |           JULIENNE: He was in the first place but now  
17 | it seems to have subsided. It's just oozing a little.

18 |           JIM: Okay.

19 |           JULIENNE: Yes.

20 |           JIM: Just oozing but you don't think it's  
21 | infected, do you?

22 |           JULIENNE: No, I don't think so.

23 |           JIM: Okay.

24 |           JULIENNE: He's eating. He's having soup.  
25 | And he's passing, urinating all right. And he hasn't  
   | got a temperature, you know. His temperature is quite

1 normal.

2 JIM: Okay. That's good.

3 JULIENNE: His color looks good.

4 JIM: Color good, okay.

5 JULIENNE: Yeah.

6 JIM: And you say he's urinating?

7 JULIENNE: Yes, he's passing water all right.

8 JIM: Okay. No vomiting or anything?

9 JULIENNE: No vomiting, no headache, no.

10 JIM: Okay. How about that wound in the  
11 back, Julian, how does it look on his back side there?

12 JULIENNE: Fine. As I said, it's just  
13 oozing, that's all.

14 JIM: Oh, and that's in the back?

15 JULIENNE: Yes.

16 JIM: Okay. What color is it now?

17 JULIENNE: It's just clear fluid.

18 JIM: Okay. Okay. So, you think he's going  
19 to be stable?

20 JULIENNE: Yes, I think so. I've been doing  
21 regular observation checks and it seems to be stable.

22 JIM: Do you need any medication or --

23 JULIENNE: Pardon?

24 JIM: Or is he, is he taking any?

25 JULIENNE: No, he doesn't take medication at  
all.

1 JIM: Oh, he --

2 JULIENNE: Mr. Koresh doesn't like taking  
3 medication.

4 JIM: Oh, I see. Okay.

5 JULIENNE: General health is always good.

6 JIM: The what?

7 JULIENNE: He has been always in good  
8 condition, good health.

9 JIM: Okay. Is his -- doesn't he have a  
10 wound on his arm?

11 JULIENNE: Yes, a slight one.

12 JIM: Is that --

13 JULIENNE: On the left arm.

14 JIM: Is it okay?

15 JULIENNE: Yes, it is okay.

16 JIM: Okay. How about Scott's wound on his  
17 leg? He seemed to be having some trouble with it. Did  
18 you look at him?

19 JULIENNE: Just a minute. On his leg?

20 JIM: Yeah.

21 JULIENNE: Just a minute, please.

22 JIM: Okay.

23 JULIENNE: I'm sorry, you misunderstood.

24 JIM: What? Julian?

25 JULIENNE: Oh, Scott, Scott.

JIM: Scott.

1 JULIENNE: Yes.

2 JIM: Yeah, he had a wound in his leg or --

3 JULIENNE: Yes, yes.

4 JIM: How's that doing?

5 JULIENNE: It's just a slight one. Yes, it  
6 seems to be -- it's not bleeding. It's just healing up  
7 now.

8 JIM: Okay.

9 JULIENNE: Seems to be healing now.

10 JIM: He just seemed to be having a lot of  
11 pain or something yesterday.

12 JULIENNE: Yeah, but he hasn't had any this  
13 morning. So, it seems as though it's subsiding, you  
14 know.

15 JIM: Okay. Are there any other serious  
16 medical problems that we need to be prepared for?

17 JULIENNE: No, there's none at all.

18 JIM: That's all. Nobody else has a --

19 JULIENNE: Nobody else. It's just these two  
20 at the moment.

21 JIM: Okay. Okay. All right. Does David  
22 have full sensation in his, in his legs?

23 JULIENNE: Oh, just a minute, there's one  
24 more and that's Julie -- Judy.

25 JIM: Judy?

JULIENNE: Yes.

1 JIM: Where was she wounded?

2 JULIENNE: In her finger -- her right  
3 shoulder, right shoulder and right finger.

4 JIM: And right finger, okay. How is she  
5 doing? How do they look? Is she ambulatory, can she  
6 walk?

7 JULIENNE: Yes, she can. She was feeding her  
8 baby.

9 JIM: Okay.

10 JULIENNE: Yes.

11 JIM: Right shoulder and her right finger?

12 JULIENNE: Yeah.

13 JIM: Did you patch her up?

14 JULIENNE: Yes, I did.

15 JIM: Okay. And the bleeding stopped?

16 JULIENNE: Yeah, it has stopped now.

17 JIM: You don't use any drugs in there at  
18 all, do you?

19 JULIENNE: No, we don't use any drugs.

20 JIM: Okay. Let me -- is David there?

21 JULIENNE: Yes, he is.

22 JIM: Okay. Let me talk to him.

23 JULIENNE: All right. Thank you very much.

24 JIM: Thank you, Julienne.

25 JULIENNE: Bye.

DAVID: Hello.

1 JIM: Hey, David, did Mark leave?

2 DAVID: Mark's left, hadn't he?

3 JIM: No. We haven't seen him out there,  
4 they told me.

5 DAVID: Keep it.

6 JIM: Is Rachel there? Send her down to  
7 check maybe.

8 DAVID: They're looking out --

9 JIM: Oh, they're looking --

10 DAVID: -- out the door.

11 JIM: The door is open. Okay. They're  
12 telling me the door is open. He must be walking out.

13 DAVID: And the, the puppies are out there?

14 JIM: Yeah. He's walking out the door.

15 DAVID: He's got a box in his hand, right?

16 JIM: The box is the puppies, yeah.

17 DAVID: He's not having any trouble carrying  
18 it, is he? They are heavy? Is he having trouble with  
19 the box?

20 JIM: You know, you can have Sita carry it if  
21 he has trouble.

22 DAVID: No, he's got it. He's already passed  
23 the Silver Eagle bus.

24 JIM: Oh, he's already half way -- a quarter  
25 way down then. Okay, good. He must be able to get  
down there. That's a big bus.

1 DAVID: Yeah, it was going to be our tour  
2 bus.

3 JIM: Does that thing run?

4 DAVID: Yeah.

5 JIM: That's neat.

6 DAVID: A brand new motor.

7 JIM: Wow. You must have some good mechanics  
8 out there, all those cars.

9 DAVID: It's not really that many cars.

10 JIM: There's quite a few.

11 DAVID: Had a Camero restoration shop.  
12 Didn't do too good out here in Texas, though.

13 JIM: Oh, yeah. It's tough --

14 DAVID: Yeah, the news are in there saying  
15 that we got all this stuff, we must be into drugs.  
16 They're hoping to find drugs and stuff.

17 JIM: Is that right?

18 DAVID: Something I have been against all my  
19 life, cocaine, heroine.

20 JIM: Well, the nurse said that you didn't  
21 take any medications.

22 DAVID: No. Well, see what happens was I had  
23 -- was just a couple of years ago, I got an anxiety  
24 attack one time.

25 JIM: Uh-huh.

DAVID: And, so, I went to check on it and

1 | they wanted to give me some Anzac or Danzig or I can't  
2 | remember what the stuff is called. Well, I took it and  
3 | it just affected me so much, I just said forget that.

4 |           JIM: Is it Xanax?

5 |           DAVID: Yeah, Xanax. I think that's it,  
6 | something like that.

7 |           JIM: Yeah, I've heard of that.

8 |           DAVID: And it's just, it's just no good.

9 |           JIM: Well, what does -- does it make you  
10 | feel bad, feel --

11 |           DAVID: Oh, it just made me --

12 |           JIM: Throw up?

13 |           DAVID: -- made me slur. I couldn't talk,  
14 | you know.

15 |           JIM: Oh, yeah. Hey, listen, I really  
16 | appreciate your letting Mark out.

17 |           DAVID: Well, like I say, it's, you know,  
18 | your people have us figured out all wrong.

19 |           JIM: No. I'm glad --

20 |           DAVID: You're trying to figure out a  
21 | terrorist mind, you know. You just don't understand.

22 |           JIM: No. I'm glad we're -- it's beginning  
23 | to work well together and, again, like we were before.  
24 | Is there anybody else you want to send out?

25 |           DAVID: We're checking around.

          JIM: Okay.

1           DAVID: Well, he said he wanted to -- he said  
2 he'd like to go. So, off he goes.

3           JIM: Okay. Is there any -- maybe some of  
4 those women with those little children, if there is any  
5 of those who might want to come.

6           DAVID: They're waiting.

7           JIM: Sita was kind of worried about her  
8 kids.

9           DAVID: Well, she heard on the news that you  
10 already put them in the foster homes and it was  
11 understood that they were going to be given over to  
12 their immediate families.

13          JIM: Oh, no, they're, they're working on  
14 that.

15          DAVID: Cause like I say, you know, that news  
16 is --

17          JIM: Well, they never tell anything right.  
18 I know you love those kids. I'm telling you. I know  
19 you do. I can tell just by the way you're holding  
20 Bobby there.

21          DAVID: Nothing more, nothing more -- well,  
22 even Hitler loved kids, didn't he?

23          JIM: Hey, you can't, you can't -- that's  
24 something you -- it's got to be genuine, you know. And  
25 you love those kids.

          DAVID: Ask them if they love me.

1           JIM: Oh, heck, they do. I can tell you  
2 that. I can tell you that. I've talked to them and  
3 seen every one of them and they do love you.

4           DAVID: What this, what's this thing we've  
5 got 15 dead?

6           JIM: Oh, the news media --

7           DAVID: I mean we're getting, we're getting,  
8 we're getting shot more everyday. I mean --

9           JIM: Yeah. They're just making up stuff,  
10 the news media. Don't worry about that.

11          DAVID: Well, why, why don't you all correct  
12 it?

13          DAVID: Well, we don't, we don't share our  
14 conversations. We don't tell them what you and I talk  
15 about unless it's, unless it's a press conference that  
16 --

17          DAVID: Well, the press conference, they  
18 didn't correct it at the press conference either.

19          JIM: Well, I don't know that they even asked  
20 them. They said two. They said there was just the  
21 two, the lady and the little girl.

22          DAVID: These, these reports --

23          JIM: Those reports, I mean -- did I tell you  
24 what they did yesterday?

25          DAVID: What did they do?

          JIM: You remember when we had the school

1 buses down there?

2 DAVID: Uh-huh.

3 JIM: Okay. When the school buses drove  
4 away, they came out and said 20 children just left on  
5 the school bus.

6 DAVID: Yeah.

7 JIM: That's what they said.

8 DAVID: Yeah.

9 JIM: Then they're calling up here to the  
10 Commander saying, where's the 20 children, you know.  
11 And they just make it up. I mean when you come out,  
12 that's one thing that you've got to put your mind to  
13 and that's to correct all that false reports of the  
14 press.

15 DAVID: When I come out, Jim, that's the last  
16 thing I'll be ever to say. You know that.

17 JIM: Oh, that's not true.

18 DAVID: Oh, Jim, come on.

19 JIM: Hey, did you -- seriously in that news  
20 conference, did you see those reporters? I've never  
21 seen so many reporters.

22 DAVID: Oh, yeah. They're, they're all  
23 looking for the scoop.

24 JIM: I mean -- that's right. That's exactly  
25 right. And they're just going nuts. I mean they want  
to, they want to talk to you. They want to hear your

1 side.

2 DAVID: Yeah, well, the ATF agents said that  
3 what happened that Sunday morning was that Robert came  
4 out.

5 JIM: Uh-huh.

6 DAVID: He gave a false signal. And, you  
7 know, they came in on a false signal.

8 JIM: Uh-huh. Well, I regret the way that  
9 thing happened. I really do, and I know you do, too.  
10 And if you and me could have been working together on  
11 it, it wouldn't have happened.

12 DAVID: Well, I told, I told him -- that I  
13 wanted to talk to him, you know.

14 JIM: Yeah.

15 DAVID: Because I gave him every possible,  
16 you know, way to know that, you know, God sees all  
17 things. They're trying to figure out how we found out  
18 about this.

19 JIM: Right.

20 DAVID: You know.

21 JIM: Well, I, I told Steve earlier -- we  
22 talked at length and I think the agents got some  
23 information, you know, prior, months ago from some of  
24 your enemies. You, you guys must have some people that  
25 don't like you. And I kind of think --

DAVID: Well, --

1 JIM: -- they fed those agents some  
2 information, you know, that -- you know what I mean?

3 DAVID: We've got a lot of people that have  
4 promised to wipe us out.

5 JIM: Yeah.

6 DAVID: All the religious bases.

7 JIM: Yeah. Yeah.

8 DAVID: You know. We've had, we've had --  
9 we've even had people call up here and you all, you all  
10 been taping the lines for God knows how long and you,  
11 you probably even have some of these things recorded  
12 where somebody on the phone calls up and says, I'm  
13 going to break up your world and blah, blah, blah.

14 JIM: Oh. Don't worry about that. I want to  
15 tell you what, when you come out, you're going to be  
16 the biggest attraction in this country.

17 DAVID: Look, that's not important --

18 JIM: Overseas.

19 DAVID: -- okay.

20 JIM: Well, it's going to happen.

21 DAVID: God, God is the attraction.

22 JIM: Right.

23 DAVID: My father -- let me, let me explain  
24 to you.

25 JIM: Did you see, did you see all those  
people from England, those reporters, and Australia?

1           DAVID: Oh, well, you should --

2           JIM: Let me ask --

3           DAVID: Oh, well you should -- if you ever  
4 get in trouble, never get in trouble in Australia, Jim.

5           JIM: I've never been there, have you?

6           DAVID: Never. Oh, yeah, several times.

7           JIM: Yeah. Is it nice or what?

8           DAVID: Well, no place is as nice as America,  
9 let's face it.

10          JIM: Yeah.

11          DAVID: But the thing of it is is this, they  
12 are into such sensationalism that -- well, like I say,  
13 on all these Hard Copy and 20/20, whatever they're  
14 playing, they always take and --

15          JIM: That's garbage, isn't it?

16          DAVID: Well, now, the media likes that. I  
17 mean the people like that.

18          JIM: Yeah.

19          DAVID: But here's the thing, those --

20          JIM: Trash T.V. I call it.

21          DAVID: Yeah. Well, those, those guys came  
22 up here last time, you know. Like I said, there's  
23 things that I, I cannot tell people, you know.

24          JIM: I understand.

25          DAVID: Let's say 2000 years -- hey, are you  
the Messiah, yes or no?

1 JIM: Uh-huh.

2 DAVID: You know, Christ kept denying it,  
3 didn't he?

4 JIM: Yeah.

5 DAVID: And he kept referring, he said, you  
6 know who I am.

7 JIM: Right. What did you say? I'm sorry,  
8 David, hold on. What did you say? Did they pick up  
9 Mark? Did they pick up Mark? He's safe? They've got  
10 the puppies? Okay. Mark is in the ambulance and they  
11 have the puppies.

12 DAVID: Okay.

13 JIM: And he's safe. So --

14 DAVID: Well, have him give us a call when he  
15 gets there.

16 JIM: He's going to get over here, you know.  
17 I'll tell you now, just -- I want you to bear with me  
18 on that because that, that highway is cra -- you know,  
19 there is about a billion news reporters there. So,  
20 we'll get him over here.

21 DAVID: Getting more and more, huh?

22 JIM: Oh, it's, it's --

23 DAVID: It's funny how they all want to come.  
24 You think they'd save some gas and all that and just  
25 get it on a national line from two or three guys, huh.

JIM: Hey, is there, is there anybody else

1 you want to send out? See, --

2 DAVID: Well, we're, we're going, we're going  
3 to work this out. And like I'm saying --

4 JIM: That's good, good. I'm glad. Sita,  
5 Sita I was concerned about because she, she was --

6 DAVID: Well, do you want to talk to her some  
7 more?

8 JIM: Well, --

9 DAVID: Go ahead and talk to her.

10 JIM: Is she there?

11 DAVID: Yeah, she's right here.

12 JIM: Okay. Well, you stay --

13 DAVID: She told me, she said, she says, you  
14 know, she says, David, she says, you know, it's getting  
15 hard for me.

16 JIM: Yeah.

17 DAVID: She says, you know, this, this last  
18 time that I went out, she says, I, you know, I almost  
19 didn't come back. And I told her, you know, I said,  
20 Sita, you, you got to do what you got to do, you know.

21 JIM: Well, I --

22 DAVID: Go ahead and talk to her.

23 JIM: You're a man of your word and that's --

24 DAVID: Go ahead and talk to her. I don't  
25 bind anybody.

JIM: I know. I know.

1           DAVID: You know. What I believe is what I  
2 teach and when I teach the truth, that's what binds  
3 people together.

4           JIM: Yeah.

5           DAVID: Now, if a person all of a sudden  
6 doesn't see it that way, hey, --

7           JIM: Is she right there, David?

8           DAVID: Yes, she's here.

9           JIM: Yeah.

10          DAVID: Here she is.

11          JIM: Okay. Well, don't you leave. I, I  
12 want to talk to her right with you there but --

13          SITA: Jim?

14          JIM: Yeah, Sita. I was just talking to  
15 David, you know, and he said you could go and, and  
16 you're not -- you heard him.

17          SITA: Yes. He told me the beginning when I  
18 first brought my children down there, the first kids,  
19 mine.

20          JIM: Right. Well, I think --

21          SITA: Well, he told me I can do -- go with  
22 them or stay.

23          JIM: Well, he loves you.

24          SITA: I know he loves me.

25          JIM: He loves you and he wants what's safe  
for you. What, what --

1           SITA: But the Book is there. I'm not -- I  
2 don't remember everything he teach me but it's plain --  
3 it's in black and white.

4           JIM: But listen -- but leaving doesn't  
5 change anything. That doesn't change anything. If you  
6 believe in him, you can't leave him. How could you  
7 leave him if you believe in him? You couldn't leave  
8 him. You're still with him. You're still with him.

9           SITA: Yes, I'm still with him but it's not  
10 him. It's the Book.

11          JIM: I understand.

12          SITA: What he teaches.

13          JIM: Yeah. It's in your mind and in your  
14 heart. It's not where your feet are, your mind and  
15 your heart. These kids need you.

16          SITA: I need them, too, you don't know how  
17 bad. Every time I go in --

18          JIM: Well, you, you need, you need to -- if,  
19 if David gives his blessing and he already did, then  
20 you need to walk out and you will still be connected.  
21 There's, there's no one on heaven and earth can break  
22 that connection between you and him. And I'm not  
23 trying. I wouldn't do it. But I want you to come out  
24 and be safe with these kids. And he said you could.

25          SITA: Yes, he told me.

          JIM: And, okay, then it's settled. I want

1 | you to get your coat, and I want you to come down and  
2 | walk to that ambulance. Okay? I want you to kiss  
3 | David good-bye, and I want you to tell him how much you  
4 | love him and that you're not leaving him and that  
5 | you're with him always no matter what.

6 |           SITA: I'm --

7 |           JIM: And that you will see him soon. Okay?

8 |           SITA: Jim?

9 |           JIM: Listen, it takes courage to do this but  
10 | you have it.

11 |           SITA: I don't have courage right now but I  
12 | -- what he's been teaching me --

13 |           JIM: Right.

14 |           SITA: -- I can't remember everything he  
15 | said. I always break what he's told me, every little  
16 | thing, I try but I keep going on the wrong path but  
17 | he's always -- the Bible is there.

18 |           JIM: It's there.

19 |           SITA: The words.

20 |           JIM: I understand that. And he, and he, and  
21 | he -- the Book is there and he wants you to be happy.

22 |           SITA: He wants everybody to be happy. He  
23 | loves life very much.

24 |           JIM: He -- I know he does, and he's sending  
25 | those Bibles out with the children. They're carrying  
the word. And you'll carry one with you, the word, and

1 bring it out.

2 SITA: Well, I hope so because when I heard  
3 the news that they went to foster home --

4 JIM: Well, you're not here.

5 SITA: Hey, I -- when that trailer just came  
6 out in front of my door -- room --

7 JIM: I know, Sita, but it's the past.

8 SITA: Who do you think I believe now?

9 JIM: I understand. I understand. We want  
10 you to tell your side. I want you to tell your side.  
11 You know what I mean? I feel real bad about it. I,  
12 I'm being honest with you. You know I'm being honest  
13 with you. I feel real bad about it. I'm glad you  
14 weren't hurt.

15 SITA: If they know there were kids and  
16 children, how could they just come out of the trailer  
17 and shoot?

18 JIM: Yeah, I understand. Well, it's going  
19 to be fully investigated. You, you can be assured of  
20 that. And if you've seen the news, you'll know that.

21 SITA: I saw some of the news.

22 JIM: Okay.

23 SITA: And the one -- the people from  
24 Australia. They came and they see everything, what  
25 they saw, and David talked to them, and they, they just  
all to pieces -- been told. They just take one verse,

1 | what he said, and they just make him like he's an  
2 | addict or something.

3 |           JIM: Well, you know, Sita, yesterday -- I  
4 | know what you're saying. I -- the news media, you  
5 | know, twists and turns things. And the problem is, if  
6 | you guys were out, you could straighten a lot of that  
7 | out. It's hard to do from in there. But yesterday we  
8 | played the tape that made -- David made on the  
9 | Broadcast network.

10 |           SITA: Uh-huh.

11 |           JIM: And it was not edited. It was his  
12 | solid word for an hour.

13 |           SITA: No.

14 |           JIM: So, you know, it got out.

15 |           SITA: I -- that -- I appreciate it because  
16 | --

17 |           JIM: It got out and you know it did.

18 |           SITA: Yes. I heard it, and I heard him  
19 | talking. It took him so much trying to do that tape.

20 |           JIM: Listen, he's a good guy, and he cares  
21 | for you, and you love him. And I think --

22 |           SITA: I love everybody here --

23 |           JIM: I --

24 |           SITA: -- and I love the people outside.

25 |           JIM: I know you do. And there's --  
everybody out here wants you to be safe. And he's

TAPE #30

3/3/93

1 JIM: Sita?  
2 SITA: Yes. Here's Mark. Hold on a minute.  
3 I'm sorry.  
4 SITA: Hello?  
5 JIM: Yeah, hey, I'm still here. Here, talk  
6 to Mark.  
7 SITA: Mark?  
8 MARK: Yeah.  
9 SITA: How you doing, boy?  
10 MARK: Fine.  
11 SITA: Did they treat you pretty good?  
12 MARK: Yeah.  
13 SITA: Wait. Dave, do you want to talk to  
14 Mark? Wait, okay?  
15 MARK: All right.  
16 SITA: Dad's here.  
17 DAVE: Hello.  
18 MARK: Hello.  
19 DAVE: Hello, Mark.  
20 MARK: Hi.  
21 DAVE: How you doing, buddy?  
22 MARK: Fine.  
23 DAVE: That's good. Did you do everything  
24 they told you to do, like I told you?  
25 MARK: Yeah.  
DAVE: You okay?

1 MARK: Yeah.

2 DAVE: Okay.

3 MARK: I'm with Jim, Jim.

4 DAVE: You're with who?

5 MARK: Jim.

6 DAVE: Jim. Oh. Yeah, I've heard a lot  
7 about Jim.

8 MARK: Fine.

9 DAVE: Are all the kids there? Huh? Are all  
10 the kids there?

11 MARK: I don't know.

12 DAVE: Oh.

13 MARK: The agents treated us real good.

14 DAVE: They did?

15 MARK: Yeah. Yeah. And they gave me a soda  
16 and a candy bar.

17 DAVE: That's good.

18 MARK: And a ride in that, that tank, that  
19 tank thing.

20 DAVE: Yeah.

21 MARK: It was, it was neat but it was bumpy.

22 JIM: I'll work on that for you, Dave.

23 DAVE: Pardon?

24 MARK: He said he'll work on that.

25 DAVE: Oh.

MARK: He said he'll try to work on that with

1 the bumpy ride.

2           DAVE: Well, just remember, son, that God  
3 sits on a throne and his word is his word and do the  
4 best of your ability.

5           MARK: Okay. Can I talk to Sita?

6           DAVE: And do what you're told. Hey --

7           MARK: Bye.

8           DAVE: Hey, Sita.

9           SITA: Hello.

10          MARK: Hello.

11          SITA: Hi, Mark.

12          MARK: Hello.

13          SITA: Are you okay?

14          MARK: Yeah.

15          SITA: They didn't treat you bad?

16          MARK: No. They treated me good.

17          SITA: Okay. What did they do to you?

18          MARK: They, they put me in that tank and  
19 took me to -- down on the road where -- down in -- put  
20 me in the van and brought me here.

21          SITA: Is the kids over there?

22          MARK: I'm with Jim.

23          SITA: You're with Jim?

24          MARK: Huh?

25          SITA: So, you're okay, baby?

          MARK: Yeah.

1 SITA: That's good.

2 MARK: And they gave me a soda and a candy  
3 bar.

4 SITA: Make sure don't eat pork now. No,  
5 it's Mark. He's with Jim right now.

6 MARK: Jim said to come on out.

7 SITA: Jim said to come out? We will.

8 MARK: He said it's okay, come on out.  
9 Nobody is going to hurt anybody.

10 SITA: Wait, just a minute. It's too much  
11 noise over here. Hey, Mark?

12 MARK: Huh?

13 SITA: I love you. You be good boy, okay?

14 MARK: Okay.

15 SITA: And if, if you see some of the kids,  
16 tell them I love them.

17 MARK: Okay.

18 SITA: Can you tell Jim is there anyway I can  
19 talk to them?

20 MARK: Who?

21 SITA: Is there anyway I can talk to them to  
22 make sure they're all together?

23 MARK: All right. Here's Jim.

24 JIM: Sita?

25 SITA: Yes.

JIM: Okay. He's, he's fine. He's right

1 here. And --

2 SITA: Yeah, he sounds fine.

3 JIM: He's fine. The agents got him a soda  
4 and candy bar. He's doing great.

5 SITA: And that's good.

6 JIM: He's all smiles from riding in that  
7 tank he calls it. He said it was real bumpy but it was  
8 neat.

9 SITA: Oh, they love playing those toys.

10 JIM: Yeah. He said, he said he didn't think  
11 it would be that bumpy.

12 SEDER: What do you mean, they're bumpy? I  
13 thought they were smooth.

14 JIM: I guess it's cause of those tracks or  
15 something, you know. Tell David I said I cannot fix  
16 the bumpy ride.

17 SITA: I guess it's the -- I don't know.

18 JIM: Those, those roller things, you know.

19 SITA: Oh.

20 JIM: He's all smiles. He looks great.

21 SITA: How's the pups?

22 JIM: You know, I didn't -- I don't think  
23 they brought them in this room. I don't seem them.

24 So, I guess they're okay. They gave them to one of the  
25 animal officers.

SITA: The animal officer?

1 JIM: Yeah, to take care of.

2 SITA: They just only a week old.

3 JIM: Yeah, I know. They'll, they'll feed  
4 them and square them away. They'll take care of them.

5 SITA: Yeah, I was surprised they were still  
6 alive.

7 JIM: Okay. Well, listen, I really  
8 appreciate your helping us with Mark and everything.  
9 He just looks like somebody took the whole world off  
10 his shoulders. I think he was getting scared, you  
11 know. He look, he looks real good.

12 SITA: That's good.

13 JIM: So --

14 SITA: You want to talk to your brother? Her  
15 sister want to talk to him.

16 JIM: Oh, wait -- is he -- did he leave?  
17 Just for one second. Yeah, let him talk to his sister.  
18 Yeah, let him talk to his sister before he goes. Okay.  
19 Hey, Sita? Sita? Hello?

20 HEATHER: Mark?

21 JIM: What -- hold on, this is Jim. Who's  
22 this? Who's this?

23 HEATHER: Heather.

24 JIM: Heather. How old are you?

25 HEATHER: Nine.

JIM: Nine. Okay. Do you want to come out

1 with Mark? Huh?

2 HEATHER: I want to speak to Mark.

3 JIM: Okay. Mark's right here. Come here,  
4 Mark, talk to Heather for a minute.

5 MARK: Hello.

6 HEATHER: Hi.

7 MARK: Are you going to come?

8 HEATHER: I don't know.

9 MARK: Huh. How come you wanted to talk to  
10 me?

11 HEATHER: Are you all right?

12 MARK: Yeah. You there?

13 HEATHER: Yes. Is it nice there?

14 MARK: Yeah.

15 HEATHER: Is it a, is it a house?

16 MARK: I don't -- not really.

17 HEATHER: Not really.

18 MARK: Yeah, it's kind of like an airport.

19 HEATHER: Airport? Airport?

20 MARK: I think it is an airport. I don't  
21 know. Bye.

22 HEATHER: Bye.

23 MARK: Come see me.

24 HEATHER: Huh?

25 MARK: Come see me when you can.

HEATHER: Okay.

1 MARK: Bye.

2 HEATHER: -- wants to talk to you.

3 JIM: Heather?

4 HEATHER: What?

5 JIM: Hello. Are you there?

6 HEATHER: Yes.

7 JIM: Okay. Do you -- when you want to come  
8 out, you tell your Daddy, okay?

9 HEATHER: Okay.

10 JIM: Is your Daddy there?

11 HEATHER: Yes.

12 JIM: Okay. Let me talk to him.

13 HEATHER: Huh?

14 JIM: Is your Daddy there?

15 HEATHER: Yeah.

16 JIM: Let me talk to him. Is it -- what's  
17 your Daddy's name? Let me talk to him.

18 HEATHER: Here he is.

19 JIM: Okay.

20 CYRUS: Hi, Mark.

21 JIM: Who's this?

22 CYRUS: Cyrus.

23 JIM: Oh, Cyrus. All right. You can say  
24 hello. This is Jim. Hold on, Cyrus.

25 MARK: Hello.

CYRUS: How you doing?

1 MARK: Fine.

2 CYRUS: Is it nice over there?

3 MARK: So far. I'm with Jim.

4 CYRUS: What?

5 MARK: I'm with Jim at the -- where he is.

6 CYRUS: Are you --

7 MARK: Uh-huh. I'm at the airport. There's  
8 lots of planes out front, out back, or whatever.

9 CYRUS: Can you see any taking off?

10 MARK: What?

11 CYRUS: Do you see any taking off?

12 MARK: No. Cyrus, I went in a tank.

13 CYRUS: Huh?

14 MARK: I went in a big old armored vehicle  
15 there that was at the gate. Did you see it? Did you  
16 see it, one of them big old tank like things?

17 CYRUS: Yeah. Were you kind of nervous?

18 MARK: No. It was bumpy. That was the only  
19 thing. Yeah, and the guys were nice, too.

20 CYRUS: What?

21 MARK: The guys were nice.

22 CYRUS: The guy was nice?

23 MARK: Yeah, the two guys that picked me up  
24 first. Come on out when you can, if you can.

25 CYRUS: I think I can.

MARK: All right. Bye.

1 JIM: Hello?

2 CYRUS: Hi.

3 JIM: Who's this, Heather?

4 CYRUS: Cyrus.

5 JIM: Cyrus. Oh, this is Jim. You come out  
6 when you can. And, let's see, who else is around  
7 there? Is Dave --

8 CYRUS: Huh?

9 JIM: Is, is -- who's there? Is David there?

10 CYRUS: Yeah.

11 JIM: Let me talk to him.

12 CYRUS: Okay.

13 DAVID: Hello.

14 JIM: Hey, David.

15 DAVID: Hello.

16 JIM: Mark's here. He's fine.

17 DAVID: Okey-doke.

18 JIM: And he just talked to everybody. And  
19 he, he looks real good. He's all smiles.

20 DAVID: Oh, yeah.

21 JIM: He got a ride in that tank.

22 DAVID: Yeah. I think it was a troop carrier  
23 or something, wasn't it?

24 JIM: Yeah. He said that -- did you talk to  
25 him yet?

DAVID: No.

1 JIM: All right, hold on, and he'll tell you  
2 about it. Hold on. Here, Mark, this is David.

3 MARK: Hello.

4 DAVID: What was it like?

5 MARK: Well, it was -- when I went up there,  
6 they just told me to put my stuff down and then they  
7 went through it and stuff and checked and stuff. And  
8 then they put me in that tank like thing and drove me  
9 further up the road, further down the road. And it  
10 was, it was real bumpy.

11 DAVID: It was a heavy, heavy duty, heavy  
12 duty thing, wasn't it?

13 MARK: Uh-huh.

14 DAVID: That was good.

15 MARK: And they were nice. They're really  
16 nice.

17 DAVID: Oh, they'll be nice, you know.  
18 People in the world are nice, too. Remember that.  
19 They just don't know what we know, right? They just  
20 don't believe in the Seals. They don't know about  
21 them. Okey-doke. Is Jim still there?

22 MARK: Yeah.

23 DAVID: Okay. We'll talk to you later.

24 MARK: Bye.

25 DAVID: Be good boy. Bye.

JIM: Hey, David?

1 DAVID: Yeah.

2 JIM: He's fine.

3 MARK: Oh, yeah, he's a good one.

4 JIM: Yeah, they just gave him a candy bar  
5 and a soda.

6 DAVID: Oh, yeah.

7 JIM: So -- we're out here in a building near  
8 the airport and you can see all the airplanes, you  
9 know.

10 DAVID: Oh, yeah.

11 JIM: So, him and Cyrus were talking about  
12 them.

13 DAVID: Yeah.

14 JIM: Cyrus says, did you see them take off?

15 DAVID: Yeah, you know how kids are.

16 JIM: And they love that stuff. He said that  
17 tank's bumpy, he said.

18 DAVID: Well, it's a heavy duty vehicle. You  
19 see it on shows.

20 JIM: Yeah. Okay. Well, I talked to Sita  
21 awhile and, you know, she just kind of little sad, I  
22 think and --

23 DAVID: Well, you know, like I say --

24 JIM: -- missing the kids, you know.

25 DAVID: -- I'm liable to have you talking to  
some of these women every once in awhile that have, you

1 | know, -- their kids over. So that way, you know, they  
2 | can hear both sides. That's where this -- that's the  
3 | way I teach the truth, Jim.

4 |           JIM: Well, that's good.

5 |           DAVID: Is I always -- I've always sat down  
6 | with people --

7 |           JIM: Well, I appreciate that, David.

8 |           DAVID: -- and I've presented my side. Then  
9 | I've always told them, I've said, now, look, go out  
10 | there and the truth only shines brighter in the light  
11 | of controversy.

12 |           JIM: When that -- when those -- when David  
13 | just came out and, and some of these ladies you're  
14 | talking about come out, those, those newspaper people  
15 | will be making a big story about that and about you,  
16 | you know.

17 |           DAVID: Well, look, you see, you -- Jim --

18 |           JIM: I'm just telling you what's going to  
19 | happen.

20 |           DAVID: Yeah. You know, me, don't worry  
21 | about me.

22 |           JIM: I'm just -- I'm not -- I'm just talking  
23 | about --

24 |           DAVID: I'm saying, don't worry -- I'm not,  
25 | I'm not doing this to make a name for myself. Let me  
--

1 JIM: Oh, I know that.

2 DAVID: Let me, let me explain something to  
3 you realistically, okay?

4 JIM: Uh-huh.

5 DAVID: When you come up here, Jim, and you  
6 look up here, you know, you can only in your mind just  
7 imagine -- that's why the Bible calls it faith.

8 JIM: Uh-huh.

9 DAVID: Because, you know, there is no way  
10 you could really imagine what really up here there is,  
11 you know.

12 JIM: Uh-huh.

13 DAVID: And like I say, you know, with your  
14 most powerful telescopes you can just barely begin to  
15 uncode the mysteries of Orion, you know, the great  
16 horse head of the universe, right?

17 JIM: Right.

18 DAVID: You know, there's a reason why the,  
19 the -- Orion is a horse head.

20 JIM: Right.

21 DAVID: And there's a reason why there's,  
22 there's phases of coloration that comes from it.

23 JIM: Uh-huh.

24 DAVID: You know. White, red, black, pale,  
25 you know.

JIM: Right.

1 DAVID: There's a meaning to this  
2 constellation and Pleiades --. Anyway, what I'm trying  
3 to say --

4 JIM: I understand. I understand.

5 DAVID: -- is, is it -- is that when --

6 JIM: When you're ready to send them out, you  
7 will.

8 DAVID: No, what I'm saying is this, when  
9 you're up hither and you see the father give the Book  
10 to the lamb, if the lamb ever decides to come back to  
11 this world, that's the last thing in the world the lamb  
12 is going to want, and that's any kind of glory and vain  
13 glory from the world, I mean, you know.

14 JIM: Well, the only --

15 DAVID: When God is ready to speak --

16 JIM: Hey, David, the only thing I meant by  
17 telling you the press is -- the only thing I'm trying  
18 to tell you is that you'll be able to help me set the  
19 record straight with them, you know.

20 DAVID: Oh, well, the --

21 JIM: You know how the press is. That's all  
22 I --

23 DAVID: You know God is going to set it  
24 straight. You know how the press is. You know, the  
25 prophets, you know, Daniel's told that the end of a  
certain period he'll stand in his lot with the rest of

1 the prophets. Daniel's told by Gabriel, the vision  
2 that you're going to see is for many days.

3 JIM: Well, I, I know, I know. I know how  
4 the press people do.

5 DAVID: You know, but I'm saying that -- but  
6 I'm saying the prophets are press, too, you know.

7 JIM: Yeah.

8 DAVID: They're giving you a hot scoop but  
9 it's on the future.

10 JIM: Yeah, but --

11 DAVID: I mean the, the press today tells you  
12 what's happened.

13 JIM: Yeah.

14 DAVID: But the prophets tell you what's  
15 going to happen.

16 JIM: Yeah.

17 DAVID: So you can get the scoop before it  
18 happens.

19 JIM: I understand. I understand.

20 DAVID: Hey, Bobby, --

21 JIM: Bobby?

22 DAVID: -- this, this -- she always sucks her  
23 thumb now.

24 JIM: Who's her mommy?

25 DAVID: Rachel.

JIM: Rachel.

1 DAVID: That's Cyrus' little sister.

2 JIM: Yeah. Oh.

3 DAVID: Second sister.

4 JIM: Do you want to send Cyrus and Rachel  
5 out?

6 DAVID: Oh, we're going to work that out.

7 Well, he wants -- wait a second.

8 RACHEL: Hello?

9 JIM: Rachel?

10 RACHEL: Yes.

11 JIM: This is Jim.

12 RACHEL: Hello.

13 JIM: How are you doing?

14 RACHEL: Oh, I'm doing okay.

15 JIM: Do you want to come out?

16 RACHEL: Do I want to come out?

17 JIM: Yeah. Do you want to walk out? I just  
18 -- Mark just did.

19 RACHEL: I'm sorry, I didn't hear the rest.

20 JIM: I said, Mark, Mark just walked out.

21 RACHEL: Yeah.

22 JIM: Do you feel like you want to come out?

23 RACHEL: No.

24 JIM: No. Okay. I mean you'll be safe.

25 RACHEL: Oh, really.

JIM: Yeah.

1 RACHEL: Well, I don't doubt that.

2 JIM: No, you will be. I'm sure.

3 RACHEL: Yeah, but what am I going to?

4 JIM: Well, I mean, you're going to somewhere  
5 safe. It's not safe in there, you know. We don't want  
6 anything to happen to you.

7 RACHEL: Well, --

8 JIM: That's what I'm concerned about.

9 RACHEL: What I believe in is here. So --

10 JIM: Well, I understand, but if you believe  
11 just walking down this road doesn't make you not  
12 believe. David said anybody who wanted to leave was,  
13 you know, was free to go.

14 RACHEL: Yeah, but I don't want to leave. I,  
15 I, I know, I already know that. He doesn't force  
16 anyone to do anything.

17 JIM: Yeah. Oh, I know that.

18 RACHEL: People can do what they want to do.

19 JIM: Oh, I'm not, I'm not implying that. I  
20 know he doesn't. I know you all are free to go. I  
21 just thought some people might be a little reluctant to  
22 come because, you know, they're just apprehensive. And  
23 Sita told me, you know, she wanted to bring the -- send  
24 the word out to her children, the Bible, and so forth.  
25 Is there any other mothers in there who want to come  
out, some of the mothers of these children that have,

1 | that have come out already?

2 |           RACHEL: No, no one wants to come out. If,  
3 | if they did, they would be out there right now.

4 |           JIM: Oh, okay. Okay. Well, I -- yesterday  
5 | afternoon, you know, David was fixing to come.

6 |           RACHEL: Sorry?

7 |           JIM: I said yesterday afternoon David was  
8 | fixing to come out.

9 |           RACHEL: Wait a minute. These -- I got three  
10 | different people here talking and I can't hear.

11 |           JIM: Okay. Okay. I understand.

12 |           RACHEL: Now, can you repeat that again?

13 |           JIM: I said, you know, yesterday afternoon  
14 | David was getting ready to come out.

15 |           RACHEL: Yes. Well, you know, we were going  
16 | to come out. We were all ready.

17 |           JIM: Right.

18 |           RACHEL: I mean the kids were all together  
19 | and --

20 |           JIM: Right.

21 |           RACHEL: -- we were on our way out. He was  
22 | changing his clothes, getting ready to get a stretcher,  
23 | you know, taking off his bloody jeans and whatever.

24 |           JIM: How did that stretcher work? Did it  
25 | work good?

          RACHEL: The stretcher?

1 JIM: Yeah.

2 RACHEL: Yeah, it's still folded out here.

3 JIM: Okay.

4 RACHEL: Right beside him.

5 JIM: Well, good. I'm glad. I didn't know  
6 if it was going to be the right -- big enough or, you  
7 know, would give you any difficulties.

8 RACHEL: I think it's okay.

9 JIM: It's okay?

10 RACHEL: Yeah.

11 JIM: Well, I was hoping he might, you know,  
12 get the message or feeling, you know, to gather you  
13 guys together and walk out, you know. Let's kind of  
14 reach a resolution, you know. I don't want anybody  
15 else to get hurt, you know. I think we can do that.

16 RACHEL: You don't want anybody else to what?

17 JIM: I don't want anyone else to be hurt.

18 RACHEL: Yeah. Well, I don't either.

19 JIM: Well, I know that. And I'd like to see  
20 some of those men get some medical treatment,  
21 especially David.

22 RACHEL: Uh-huh.

23 JIM: And he's not -- doesn't seem to feel  
24 like he needs it but I think he does. I'm waiting.

25 RACHEL: Well, he is getting better.

JIM: Yeah. All --

1 RACHEL: The wounds are looking better.  
2 They're healing over.

3 JIM: Yeah. They're healing over, but he  
4 still can't walk?

5 RACHEL: Well, I think it's a nerve thing. I  
6 don't know. I mean I'm not a physician so I don't  
7 know. He's had problems with his legs before, you  
8 know, with his back and whatever.

9 JIM: Yeah.

10 RACHEL: So, I think it did something to his  
11 nerves and triggered, triggered it again --

12 JIM: Yeah.

13 RACHEL: -- you know, in his leg.

14 JIM: Well, it might could be fixed, you  
15 know.

16 RACHEL: I'm sorry?

17 JIM: I said we might could get it fixed if  
18 he -- if we could get him out.

19 RACHEL: Uh-huh.

20 JIM: I'd hate for it to be, you know, it  
21 would be something that we could have -- a doctor, you  
22 know, a good doctor could fix. Wouldn't want him to be  
23 where he couldn't walk or something. You know, I'm  
24 just concerned about him. I'm just telling you how I  
25 feel. I'm just concerned about him. And I'd just like  
to see him get some attention. I know he's got strong

1 convictions and we've talked at length. And I  
2 understand all that, and I appreciate it. But I don't,  
3 I don't want you guys to, to change any of that. And  
4 you wouldn't even if I asked you anyway. And I  
5 wouldn't ask you. I just want you to, you know, kind  
6 of hang in there with me and see if we can reach a  
7 resolution, you know.

8 RACHEL: I thought they took you off of this  
9 -- I don't really know what to call it. I wouldn't  
10 call it a case. But I --

11 JIM: Well, --

12 RACHEL: -- thought they took you out of it.

13 JIM: -- I got in a little trouble yesterday.

14 RACHEL: Yeah.

15 JIM: Yeah, because, you know, the message,  
16 you know, the agreement that David made and that you  
17 guys would come out after the Christian Broadcast  
18 Network and -- see, what's happened today is the  
19 Christian Broadcast Network's got thousands of phone  
20 calls about David's tape and people expressing interest  
21 in it and all that stuff.

22 RACHEL: Uh-huh.

23 JIM: But there's been a lot of people now  
24 saying, well, but he didn't do what he said, you know.  
25 They starting to doubt, you know, that he didn't do  
what he said. So, they're wanting -- you know, they're

1 just kind of looking, watching, you know.

2 RACHEL: Well, why don't they let him talk on  
3 the radio and ask him some of those questions?

4 JIM: Well, we did. We gave him a solid -- I  
5 mean he, he said --

6 RACHEL: I mean after that hour tape?

7 JIM: Oh, well, I mean the radio stations  
8 don't, you know, they're saying, what do you mean? He  
9 said he'd do this if we played the tape and we played  
10 the tape. He didn't do it, you know.

11 RACHEL: Yeah, well, they're kind of in the  
12 dark about what's going on.

13 JIM: Yeah. Well, I, I understand but, you  
14 know, you've got to give -- you've got to give people  
15 room to understand, too, you know.

16 RACHEL: Yeah.

17 JIM: And, and you know yourself that -- and  
18 David has told me this 20 times is --

19 RACHEL: Uh-oh, someone's touching the phone.

20 JIM: Hello.

21 RACHEL: Yeah. I was just -- somebody must  
22 have touched it. It's really a poor line.

23 JIM: You know, David's told me at least 20  
24 times that I know that, you know, he can't explain all  
25 his teachings in an hour. I mean it's not possible.

RACHEL: No, it, it takes a long time.

1           JIM: It takes a long time. And I don't  
2 think, you know, you can't expect the radio station to  
3 do it in an hour either.

4           RACHEL: That's true.

5           JIM: So, --

6           RACHEL: I mean that, that's not even --  
7 that's not even --

8           JIM: It's barely a beginning, you know.

9           RACHEL: Yeah. It's not even hardly a  
10 beginning at all. I mean --

11          JIM: Right. But, but, but out here, I mean,  
12 he's, he's the most sought after man in the country  
13 from these reporters and the whole world out here  
14 wanting to see when he comes out.

15          RACHEL: Yeah, good and bad, both.

16          JIM: Well, you know, some of them are just  
17 press hounds but if he comes out, you know, he's going  
18 to be able to deliver his message. Everybody wants to  
19 hear what's he got to say.

20          RACHEL: Oh, they do that kind of stuff in  
21 jail, huh?

22          JIM: Well, they do it everywhere. Are you  
23 kidding? He's the biggest story in the world.

24          RACHEL: Well, tell me, what kind of -- I  
25 mean I heard there are, you know, a lot of reporters.  
From what countries do they come? I know some come

1 | from London.

2 |           JIM: Well, there are, there are London,  
3 | Australia, New Zealand. I mean, I never saw so many --  
4 | did you see that press conference at noon? I let David  
5 | -- I told -- did you see it?

6 |           RACHEL: Uh-huh. Yes.

7 |           JIM: Did you see all those people?

8 |           RACHEL: Well, how many do you think were in  
9 | there?

10 |          JIM: Oh, hundreds.

11 |          RACHEL: Well, I couldn't -- I didn't see  
12 | that many then because, you know, they, they just show  
13 | shots of a big group of people, you know, they don't --  
14 | I didn't see how many were in there, total.

15 |          JIM: It was hundreds.

16 |          RACHEL: Cause what I saw was just a close-  
17 | up. So, --

18 |          JIM: CNN -- I mean NBC, ABC, CBS, BBC. I  
19 | mean it, it was unbelievable. I've never seen that  
20 | many, many reporters.

21 |          RACHEL: Uh-huh.

22 |          JIM: And they were all out there on the  
23 | highway down there.

24 |          RACHEL: Uh-huh.

25 |          JIM: You know, waiting for you guys to walk  
out. It's, it's a major event for them, you know.

1 | But, anyway, I -- you know, we don't control those  
2 | T.V., newspapers, magazines, all those radios. You  
3 | know that.

4 |           RACHEL: You know, I just want to say they  
5 | said that we got a telephone call that tipped us off to  
6 | that -- you were coming and that, that's not true.

7 |           JIM: No, I know. Yeah. Well, they have a  
8 | lot of inaccuracies, I think. And that's something  
9 | that David has been bothered with and you got to  
10 | understand that they do that, you know.

11 |           RACHEL: Uh-huh.

12 |           JIM: And, and, and that's another --

13 |           RACHEL: Well, they said a lot of things just  
14 | like the other night -- I don't remember what night it  
15 | was -- the buses left, right?

16 |           JIM: Uh-huh.

17 |           RACHEL: And they said that -- we thought we  
18 | were on them. They thought that we had gone from here.  
19 | I mean --

20 |           JIM: I know it. I know -- hey, I, I saw  
21 | that, too. I went -- I saw that, too, when I turned  
22 | the T.V. on that night. And I was pretty down that  
23 | night because, you know, you guys didn't come out. And  
24 | I turned the T.V. on and there's a reporter saying, and  
25 | all the people come out on this bus here.

          RACHEL: Uh-huh.

1 JIM: You know, they just make up stuff, you  
2 know.

3 RACHEL: Yeah, they, they jump to  
4 conclusions, I guess.

5 JIM: Yeah. So, you know, just when you see  
6 that stuff, I mean, you just bear with us. I mean it's  
7 not accurate. You know it's not accurate.

8 RACHEL: Right.

9 JIM: You know, give me a call and we'll tell  
10 you the straight story.

11 RACHEL: Right.

12 JIM: You know. I --

13 RACHEL: Steve wants to talk to you, okay?

14 JIM: Okay.

15 RACHEL: All right, Bye, bye.

16 JIM: Bye.

17 STEVE: Hello, Jim?

18 JIM: Hey, Steve, how you --

19 STEVE: Hey, I've got a request.

20 JIM: Okay.

21 STEVE: There was dogs that the agents shot  
22 in the front yard there.

23 JIM: Uh-huh.

24 STEVE: They're, they're starting to smell.  
25 They're such a stench and so forth. We need to have a  
guy or two at least pull them away toward the field or

1 dig a hole or do something.

2 JIM: Well, okay. Let me check on that.

3 STEVE: Okay.

4 JIM: Do you -- you mean you want to go out  
5 there and do it yourself?

6 STEVE: Well, unless -- I, I would imagine,  
7 you know, I mean, there, you know, a couple of guys  
8 here are willing to do it.

9 JIM: Yeah. Yeah. Okay.

10 STEVE: The one guy, you know, took care of  
11 them from the time they --bought them as puppies and,  
12 you know, I, I think he wanted to take care of them and  
13 go bury them.

14 JIM: Yeah, I understand that. Well, let,  
15 let me, let me check on it, Steve.

16 STEVE: Okay.

17 JIM: And I'll, I'll get back.

18 STEVE: Okay.

19 JIM: I don't think that's an unreasonable  
20 request.

21 STEVE: Yeah.

22 JIM: You know, certainly, I, I think that's  
23 reasonable.

24 STEVE: Yeah, you know, what they do is  
25 probably just put them on something, drag them right  
away or where they can be seen right out in the front

1 or something, at least away from the building --

2 JIM: No, I, I don't think that's  
3 unreasonable.

4 STEVE: Yeah.

5 JIM: Let me, let me work on that for you.

6 STEVE: Oh, oh, and David's asking me, well,  
7 are they going to connect them with Robert or --

8 JIM: Well, we've had difficulty finding  
9 Robert. He's not in town anymore.

10 STEVE: He's not? He's not, huh?

11 JIM: He's been -- he was dismissed by, you  
12 know, by his supervisor on some other detail. He's not  
13 here.

14 STEVE: Right.

15 JIM: So, I can't get him. He's not even  
16 here, you know.

17 STEVE: Well, I mean I know you could but  
18 that's okay.

19 JIM: Well, I mean I --

20 STEVE: I mean if it's, if it's a problem and  
21 --

22 JIM: Yeah.

23 STEVE: -- it will make you look kind of  
24 funny or I mean --

25 JIM: No, no, that's not it. I don't care.  
I mean, you know, if --

1 STEVE: He may not want to converse anyway.

2 JIM: Well, he -- you're right. I mean he  
3 may not but I mean --

4 STEVE: I would be -- I mean if you can, why  
5 don't you give, you know, have one of the guys give him  
6 a call and see if he would even want to. If he  
7 wouldn't, you know, he'd respect that.

8 JIM: Yeah. Okay. Well, I don't mind --

9 STEVE: Yeah. That would put an end to that  
10 anyway quickly.

11 JIM: I don't think he's, you know, he's  
12 certainly not mad at you guys.

13 STEVE: Yeah.

14 JIM: He doesn't have --

15 STEVE: Well, I know he wouldn't be because  
16 we didn't show him any, anything at all.

17 JIM: No. No. And he's not -- he, he  
18 doesn't have any animosity as far as --

19 STEVE: Of course not. Rachel is right here.  
20 I guess what I'll do is I'm going to go down and talk  
21 to the guy that was wanting to move those things away.  
22 So --

23 JIM: Well, tell him not to do it unless --

24 STEVE: No, no, that's what I mean.

25 JIM: Cause I --

STEVE: He's just asking about, he says, we

1 | should at least do something with them. And I said,  
2 | well, yeah, okay.

3 |           JIM: Well, let's, let's clear, clear, clear  
4 | it first with me but I'll work on it.

5 |           STEVE: All right.

6 |           JIM: To communicate with the commanders over  
7 | there.

8 |           STEVE: Right.

9 |           JIM: And -- are you guys going to be around  
10 | the phone awhile there?

11 |           STEVE: Yeah. There's definitely going to be  
12 | somebody around here. I was just going to put on a  
13 | warmer shirt than I have on right now.

14 |           JIM: Okay. Mark came out and -- with the  
15 | puppies.

16 |           STEVE: Pardon?

17 |           JIM: Mark --

18 |           STEVE: Oh, yeah, yeah, I was -- in fact, I  
19 | went and pat him on the back and everything.

20 |           JIM: He's, he's a cute kid, I'm telling you.

21 |           STEVE: Yeah, he's a nice kid.

22 |           JIM: He, he, he said --

23 |           STEVE: I, I mean I guess, you know, I kind  
24 | of thought we showed you what we're really about right  
25 | from Sunday on but I, I --

          JIM: Well, you are.

1 STEVE: Yeah, I know, but I mean, you know,  
2 the procedure they go through with this little kid, the  
3 way they had him --

4 JIM: Oh, I know. I'm embarrassed.

5 STEVE: -- checked out.

6 JIM: Hey, I'm embarrassed by that.

7 STEVE: I know you are. I know you are.

8 JIM: I am. I really feel bad about that.

9 STEVE: There's a big tank and they -- a shoe  
10 doesn't even as much as come around the corner of the  
11 tank and --

12 JIM: Oh, I know it.

13 STEVE: -- the kid's got to take his backpack  
14 off -- but, anyway.

15 JIM: Hey, frankly, I'm embarrassed.

16 STEVE: Yeah, I know.

17 JIM: When, when he told me that here, I was  
18 just --

19 STEVE: Oh, they, they told you that?

20 JIM: Well, Mark told me.

21 STEVE: Oh, did he really?

22 JIM: Yeah.

23 STEVE: Oh, no kidding.

24 JIM: I said, Mark, did they treat you good?  
25 He said, yeah, they treated me real good. He said but  
they made me take off my jacket or lay my stuff down.

1 STEVE: Oh, there's someone stepping on the  
2 chord. Yeah. So, he's okay, then?

3 JIM: Yeah, he's fine. And --

4 STEVE: That's good.

5 JIM: -- he just come over here and he talked  
6 to David and Sita and Cyrus and his, his daddy is --  
7 what -- his daddy is Davey or Dave?

8 STEVE: Yeah, uh-huh, right.

9 JIM: And he talked to him. And the agents  
10 gave him a Coke and a candy bar. And he's fine.

11 STEVE: So, what -- Jim, what do you know  
12 about some of our friends that are in California we  
13 heard on the news? I'm sure you have --

14 JIM: Yeah, there's --

15 STEVE: Huh.

16 JIM: I've seen that on the news about some  
17 Californians --

18 STEVE: Oh, come on, you've got to know these  
19 things. You're in an agency of the government that --  
20 you have your hands -- your fingers on -- I mean --

21 JIM: Steve, you give me more credit than I  
22 --

23 STEVE: Come on, Jim.

24 JIM: No, you give me more credit. I mean  
25 the government is a big thing, you know.

STEVE: I know that but I mean you'd be up on

1 | the news. The very job you're in, you're dealing with  
2 | a group of what you should basically have the majority  
3 | of all names. If you don't already, I mean I'd be  
4 | quite surprised.

5 |           JIM: Well, we, we have --

6 |           STEVE: Especially after eight months or  
7 | whatever it's been.

8 |           JIM: We, we have some, some names and --

9 |           STEVE: What was -- tell me what that's all  
10 | about.

11 |           JIM: Frankly, I'm confused about it, and  
12 | I've only had bits and pieces and --

13 |           STEVE: Uh-huh.

14 |           JIM: And, apparently, these were some people  
15 | that maybe had been a part of your group before, is  
16 | that right?

17 |           STEVE: No, no, they still are.

18 |           JIM: Oh, they still are --

19 |           STEVE: Yeah.

20 |           JIM: -- a part of the group?

21 |           STEVE: We had a property out there in  
22 | California --

23 |           JIM: Oh, okay.

24 |           STEVE: -- and there was some people taking  
25 | care of the property, living there. And we heard on  
the news that when this took place, they were -- they

1 -- hello?

2 JIM: Yeah, I'm still here. Steve?

3 STEVE: Yeah. What's -- I wonder what's  
4 happening here.

5 JIM: Well, I don't know. It might be your  
6 phone there or something.

7 STEVE: I'm not moving, though.

8 JIM: Oh.

TAPE #31  
MARCH 3, 1993

1 CHARLIE: This is Jim Kavanaugh. He's been  
2 on the phone with him all day. This is Serephin from  
3 the radio station. Jim?

4 JIM KAVANAUGH: Yes, this is Jim Kavanaugh.

5 CHARLIE: Jim, Charlie Serephin (ph.) here.  
6 He, he's called in here and I've been talking to him  
7 off the air for half an hour and he just wants to go on  
8 and straighten out the preachers that we've had on the  
9 air and get the message straight and everything. And,  
10 he wants to talk to the people and everything and I  
11 don't want to screw you guys up, but I, I feel kind of  
12 compelled that I ought to talk to him and keep him  
13 going. He sounds like he's bleeding pretty bad.

14 JIM KAVANAUGH: Yeah. I'll tell you what you  
15 need to do. You can let him talk for a few minutes.

16 CHARLIE: Okay.

17 JIM KAVANAUGH: But then you've got to get  
18 him back with us because--

19 CHARLIE: All right.

20 JIM KAVANAUGH: Because we've got to get some  
21 of these kids out.

22 CHARLIE: All right. I'll do that, I'll get  
23 him back with you and I've been trying to telling him  
24 too, you know, that these other people, you ought to  
25 let them go and they shouldn't have to suffer. Nobody  
should have to suffer and he shouldn't have to die and

1 everything, but --

2 JIM KAVANAUGH: What you need to tell him for  
3 trust and confidence is, you need to tell him, I'm  
4 doing this because Jim Kavanaugh told me to do it and  
5 Jim said to call as soon as he's through.

6 CHARLIE: All right, Jim Kavanaugh.

7 JIM KAVANAUGH: Yes.

8 CHARLIE: All right. I got you.

9 JIM KAVANAUGH: Okay, thank you.

10 CHARLIE: I'll do it, thanks.

11 JIM KAVANAUGH: Okay, he's going to play it.

12 Okay, Steve? Jim here.

13 STEVE: Yeah, Jim?

14 JIM KAVANAUGH: Yeah.

15 STEVE: Steve back here.

16 JIM KAVANAUGH: Hey, Steve.

17 STEVE: Hi, gee, I just wanted to touch bases  
18 with you here.

19 JIM KAVANAUGH: I just talked to the radio  
20 man.

21 STEVE: All right.

22 JIM KAVANAUGH: And David was talking to him  
23 and putting David on now. I told the reporter that I  
24 wanted him to put David on.

25 STEVE: Well good, thank you for that.

JIM KAVANAUGH: So he, he was reluctant, but

1 I told him to do it, so we'll see if it's on here.

2 STEVE: Okay, good. Jim we're a little  
3 concerned. These guys are passing information up to  
4 me. They're pretty upset because they said they  
5 believe the National Guard is around here now.

6 JIM KAVANAUGH: They are?

7 STEVE: Yeah. We hear that there's an  
8 armored vehicle up at the guard gate right now up at  
9 the Post or whatever you'd like to call it.

10 JIM KAVANAUGH: Well, okay, it, it's not at  
11 your gate. I mean, there are National Guard. There's,  
12 you know, FBI, there's state troopers, there's Waco  
13 police, sheriff's police. I mean, yes, it's true, but  
14 nobody does anything except on what, my word. Nobody's  
15 coming. You have my word. Yes, they're there, it's  
16 true. I'm not lying to you. It's true.

17 STEVE: They were pretty upset when the plane  
18 flew directly, very close to the com--to the building  
19 itself.

20 JIM KAVANAUGH: Some plane flew over?

21 STEVE: Yes, it did. It was very low and  
22 right in line with the building.

23 JIM KAVANAUGH: You know, I can't -- some of  
24 these can be media. You know, news people. It could  
25 be, I swear it's not us, I swear we're not doing that.

STEVE: Well he, they, you know, these guys

1 | here, they get so itchy, you know with that kind of  
2 | thing.

3 |           JIM KAVANAUGH: I understand. Just pass the  
4 | word.

5 |           STEVE: I'm trying.

6 |           JIM KAVANAUGH: That we're not coming. They  
7 | can relax. We're not coming. I mean, you can all go  
8 | to sleep cause nobody's coming. You know, I'm telling  
9 | you, it's not happening.

10 |           STEVE: Good.

11 |           JIM KAVANAUGH: It's not going to do, it's  
12 | not going to do anybody any good.

13 |           STEVE: I agree. I agree.

14 |           JIM KAVANAUGH: So, we're not going to do  
15 | that. We've already -- you and David have already save  
16 | some lives. I mean we've got people out here. You've  
17 | saved their lives.

18 |           STEVE: Well, the truth of the matter is,  
19 | like him, I wish anything in this world, if we  
20 | could've, I hated to see even one person hurt.

21 |           JIM KAVANAUGH: I understand. I believe you  
22 | and I know you're sincere and I can tell by your voice  
23 | and I know you feel bad. And, I feel bad. But I want  
24 | us to keep this lifeline going.

25 |           STEVE: We're going to do that.

          JIM KAVANAUGH: So we can get, you know, some

1 more children out maybe.

2 STEVE: Right.

3 JIM KAVANAUGH: Is David on the radio?

4 STEVE: Yeah, he is, right now, and I thank  
5 you for that too. I know you made a good effort on our  
6 part.

7 JIM KAVANAUGH: Well, he didn't want to,  
8 but --

9 STEVE: Yeah, I understand. When it comes to  
10 you know, religious issues like that, I mean --

11 JIM KAVANAUGH: Yeah, yeah, well he's getting  
12 his word out and we all know he wants to.

13 STEVE: Well, you got to hear quite a bit  
14 from him, didn't you?

15 JIM KAVANAUGH: Yeah, he's so intelligent.  
16 Holy smoke, I was listening to him read from the Bible,  
17 he knows it word for word, I mean, it's unbelievable.

18 STEVE: Well a lot of that he wasn't even  
19 reading. He was just quoting.

20 JIM KAVANAUGH: Well, I know he wasn't  
21 reading it, I know. It was unbelievable. I never,  
22 I've never --

23 STEVE: Even myself, the first time I met him  
24 in Los Angeles, after that (indiscernible--interfering  
25 noise) that property they have there and he came out  
with greasy hands, he was supposed to give a study to

1 80 people and his hands were so greasy, he just stood  
2 there and for five hours, I mean he just, not even  
3 opening a Bible, chapter after chapter, I sat there  
4 watching verbatim word for word following along in my  
5 Bible. I was astounded. I mean it's one thing for  
6 scholars of many degrees or people with good memories  
7 to memorize even, I don't know, portions of the Bible,  
8 the whole Bible, but here was somebody who put it  
9 together, harmonized it, and made it so plain and  
10 clear. I mean, that's always been his concern. Not  
11 any other issue, but allowing people to really get to  
12 see what these prophets saw for the final days in light  
13 of the last book of the Bible, so -- It's always been  
14 his burden and his (indiscernible)

15 JIM KAVANAUGH: Yeah, I understand. Like,  
16 he's getting a chance to be heard.

17 STEVE: Right. What kind of a background do  
18 you have, Jim?

19 JIM KAVANAUGH: Well, I'm a Christian and was  
20 raised that way and--

21 STEVE: You were?

22 JIM KAVANAUGH: -- and believe in God and the  
23 Bible.

24 STEVE: Do you belong to any kind of Church  
25 or you just--

JIM KAVANAUGH: Well I was a Catholic and my

1 wife was a Christian Church --

2 STEVE: That probably was interesting, huh?

3 JIM KAVANAUGH: Well, you know, some of the  
4 Catholics are funny about that and --

5 STEVE: That's true.

6 JIM KAVANAUGH: -- and the Christians --  
7 they've changed a little now as you know, but the  
8 Christians seem to be a little bit more accepting and  
9 the Catholics seem to care about all the rules, you  
10 know.

11 STEVE: Right.

12 JIM KAVANAUGH: But, you know, I mean, you  
13 got to believe, it's just the way it is.

14 STEVE: Well, you know, we don't judge  
15 anybody whether they do or don't. I mean we love  
16 people and in honesty if they can't see things, you  
17 know we give them that credit and believe according to  
18 Romans 2 and 3 that (indiscernible--interfering noise)  
19 much like came to them and what they did with their  
20 opportunities. I believe one day, an honest seeker, if  
21 he was agnostic, a buddhist, if he did the best he  
22 could with the light he had, God will be merciful in  
23 that manner. This is what we've always taught and  
24 believe that now. We also believe that as in the days  
25 of Noah, God was going to bring a judgement upon the  
world and the majority of the world said "no, you

1 | won't," so he did. And, after the flood, God says I'll  
2 | never destroy the world with a flood again, and he  
3 | says, well yes you will. They built the Tower of Babel  
4 | to and get away from a flood that would never come. So  
5 | Christ matched twenty forces in the final days, he  
6 | says, it wasn't in the days of Noah, that's when it  
7 | will be the final days.

8 |           So in the last days, there's a message for  
9 | people. There's to be an ark of safety, but where is  
10 | it to be moved, what kind of an ark of safety. No  
11 | wooden boat is going to help you and I in this  
12 | generation of course. So this is what the Prophets all  
13 | talk about. What God is going to offer for a way out.  
14 | We're all sinners. I'm no better than anybody else in  
15 | this world [gap] I've tried to be a Christian, I've  
16 | tried this, tried that, but I've always loved truth.  
17 | I've never said that I know Christ because my lifestyle  
18 | doesn't show it even though I've tried for years.

19 |           JIM KAVANAUGH: Well, that's honesty Steve.  
20 | Some people try to fool you and tell you, that they,  
21 | that's why they don't see him, but that can't be.

22 |           STEVE: Well, I see a very high standard in  
23 | Christianity when you look at the writings of Christ  
24 | and you look at the writings of the Prophets and the  
25 | Apostles. Like even John says those that are born  
again do not commit sin. So, that brings up a

1 question, well, if we sin are we born again? And then  
2 you have a lot of Evangelicals running around saying,  
3 hey, are you saved? Are you born again? They look at  
4 me and I say to them, "I'm not, I'd like to be, but God  
5 requires something. He tells us in the final days how  
6 you can become born again." It's found in Ezekiel 36  
7 [gap] and the Apostles themselves for twelve years and  
8 they ran, I mean for three years and they ran around  
9 with Christ. They were people that fought for  
10 position and they argued amongst themselves, but the  
11 time came when they all ran away when he died. But  
12 then when they were gathered together they finally  
13 obeyed --

14 JIM KAVANAUGH (aside): Tell them to get  
15 ready. As soon as he stops rambling, I'm going to try  
16 to negotiate two more kids.

17 STEVE: (indiscernible) something that never  
18 happened to me -- tongues of fire lighting on the heads  
19 of these individuals. They went out and raised the  
20 dead, healed the sick, and you know, it's not happening  
21 anymore.

22 JIM KAVANAUGH: I know.

23 STEVE: But the Prophets foresaw that it  
24 didn't work two thousand years ago. It did for awhile,  
25 but it says in the final days of Revelation 13, this  
time Satan is going to work the miracles, and will

1 | cause fire to come down out of Heaven which Elijah did  
2 | three thousand years ago, but this time it's not God  
3 | behind it. So the only way we'll know the truth from a  
4 | faulty is by what the Book says in its entirety and its  
5 | harmonization. So this is why we like to have people  
6 | have an opportunity. We don't claim to be able to do  
7 | any miracles. We're not Pentecostal. We try to be  
8 | very factual, not go by feelings. Everybody in all  
9 | religions have feelings, but you know, God is not  
10 | against that or anything. But, we look at the sure  
11 | word, what God says he's going to do.

12 |                 JIM KAVANAUGH: Okay.

13 |                 STEVE: It's going to be hard for the flesh,  
14 | of course, but we'll try to hang in there and try to do  
15 | the best we can with our fellow man.

16 |                 JIM KAVANAUGH: I understand.

17 |                 STEVE: So, all these years that I've been  
18 | with him and worked with him, you know, we've never  
19 | harmed anybody, never touched anyone and, we've had a  
20 | lot of threats. I was with him and went over to  
21 | England and there were theologians that got a hold of  
22 | me and warned me about my, you know, my life would be  
23 | in danger and I--

24 |                 JIM KAVANAUGH: Just for what you believe in?

25 |                 STEVE: Yes, because, you know, what was  
happening, we were offering information to a lot of

1 | theology students, those that were paying about \$10,000  
2 | a year to become ministers. And, we didn't charge  
3 | anything. We raised questions that they could not  
4 | answer. We said in honesty, if you really want to know  
5 | the book called the Bible, you know, let us present  
6 | something. You can ask any questions you want. If we  
7 | can't show you the answer right in the Book, not give  
8 | an opinion and a theory, well then you've lost nothing  
9 | but an exercise of the mind and a little time. But if  
10 | you see something there, you know, meditate on it, look  
11 | at it, go back on your own and wrestle with the issues,  
12 | and you know, it's between you and God.

13 |           Even when I first met David, I was, I thought  
14 | to myself, God, what is this, a Jim Jones, you know  
15 | anything with a small group off in the middle of who  
16 | knows where, you know you've got to wrestle with the  
17 | issues. And for six months, I went back and forth with  
18 | that Bible trying to prove him wrong.

19 |           JIM KAVANAUGH: I'm no theologian or  
20 | religious scholar and I certain --

21 |           STEVE: Well, you're almost better off  
22 | because of that, Jim, because people like yourself that  
23 | have worldly experience, usually give a man more of  
24 | break. They do more listening than those in the  
25 | religious world. They already think they know God.  
You can't do anything for them, so if there's a message

1 of impending doom and a way out, they won't take the  
2 time out what that way out might be. You know, this  
3 has been what the testimony of the Prophets all the way  
4 through. You know, one law condemns us all. The Ten  
5 Commandments, we don't keep it. It's a good law  
6 (indiscernible--interfering noise) God's character.  
7 But there's another law, it's called the Law of the  
8 Spirit of Life. It's from Romans 8, and in every  
9 generation God sends warnings by Prophets, but there  
10 are always people that are picked that are everyday  
11 people, Hosea and Micah, these guys were sheep herders,  
12 and fig pickers. They didn't wear three piece suits.  
13 They didn't have a lot of doctor degrees. Not to say  
14 that's wrong, but God picked people that were humble,  
15 that he could work with and every generation these kind  
16 of men were rejected.

17           So, you know, the last days, we believe we're  
18 in the last days as Christianity does at large, and the  
19 word is very clear as to how it's all going to come to  
20 an end. And we just want to make sure people have that  
21 opportunity to take a look because it talks about in  
22 all the Prophets about the Heavens departing as a  
23 scroll. It's going to be a scary thing. If you ever  
24 have the time, you know, write down Isaiah 24. God  
25 says he's going to turn this globe, this planet upside  
down and shake the inhabitants. Says it's going to

1 | reel to and fro like a drunkard. People are going to  
2 | be terrified. And, if they don't know information  
3 | ahead of time, it says if they run they'll fall into a  
4 | pit. And those that escape out of the pit will be  
5 | taken in a snare. See the thing is to if we're to  
6 | stand still, but you can't without information, without  
7 | having an experience based upon trusting God's word,  
8 | not by your feelings, because we're all bad. I mean,  
9 | bad in that we have tendencies to do things that we  
10 | don't even like ourselves, so this is what we've share  
11 | with people all over, and you know, to this time we  
12 | still are.

13 |                 But, of course, we hold nothing against  
14 | anyone. We just want to make sure that people have  
15 | that opportunity to understand if they want. If they  
16 | don't, we respect that too. Its between them, God, and  
17 | the Judgement.

18 |                 JIM KAVANAUGH: I understand.

19 |                 STEVE: He probably wanted to talk to you  
20 | too, but he's still on with this guy. So how are you  
21 | hanging out there Jim, are you tired?

22 |                 JIM KAVANAUGH: A little tired.

23 |                 STEVE: I believe it, I believe it.

24 |                 JIM KAVANAUGH: I know you are.

25 |                 STEVE: Were you up pretty early today?

                  JIM KAVANAUGH: Yeah, I kind of like to get

1 up early, I tend to do that.

2 STEVE: Jim, do you know Robert personally,  
3 Gonzalez?

4 JIM KAVANAUGH: No, I don't.

5 STEVE: But you know of him, of course.

6 JIM KAVANAUGH: I know the name, yeah.

7 STEVE: I just, I just would've liked to have  
8 talked to Robert. You came, you heard, you know, make  
9 your decisions.

10 JIM KAVANAUGH: I understand.

11 STEVE: Don't forget what you heard. Keep it  
12 in mind.

13 JIM KAVANAUGH: I understand. I think --

14 STEVE: He's talking about the children right  
15 now, so I think he's going to try to work it out.

16 JIM KAVANAUGH: I think he's telling them to  
17 play the scripture.

18 STEVE: I think he's getting to that now.

19 [gap]

20 JIM KAVANAUGH: Steve?

21 STEVE: Yeah.

22 JIM KAVANAUGH: I'm just listening to David  
23 on the radio.

24 STEVE: Okay. So he is on? I didn't even  
25 know.

JIM KAVANAUGH: Oh, yeah. He's on a long

1 time.

2 STEVE: You can hear him on the radio?

3 JIM KAVANAUGH: Yeah, uh huh.

4 STEVE: Okay. [gap] He doesn't know that I'm  
5 on with you right now.

6 JIM KAVANAUGH: Yeah. Okay. Okay. [gap]  
7 What he said was he told the guy on the radio station  
8 that he would take the fact that I told the radio man  
9 to let him talk as one of the scripture readings.

10 STEVE: Okay, right.

11 JIM KAVANAUGH: And that you would send out  
12 two more children.

13 STEVE: Okay, I see.

14 JIM KAVANAUGH: Now that's what he just said,  
15 if you want to check with him, that's fine, but if we  
16 could get two more kids, I think it would be great.

17 STEVE: Right, right.

18 JIM KAVANAUGH: If you want to just --

19 STEVE: I'm waiting for him to stop here, so  
20 I can, I didn't really want to interrupt him yet.

21 JIM KAVANAUGH: Well, maybe, is Sita around  
22 there?

23 STEVE: Just a minute.

24 JIM KAVANAUGH: Maybe you can get her to get  
25 two kids ready or something.

STEVE: Yeah, I'm looking for her now.

1 JIM KAVANAUGH: He's giving the word now.  
2 He's getting out, I'm telling you, he's getting out.

3 STEVE: Okay.

4 JIM KAVANAUGH: There's people all over the  
5 world listening to that.

6 STEVE: I hope so.

7 JIM KAVANAUGH: He's really getting it out.

8 JIM KAVANAUGH (aside): I'm talking to Steve  
9 and David said on the radio that he was going to count  
10 the fact that we told that radio man to talk to him as  
11 a reading of the Scripture. David's going to send us  
12 two more kids. I got Steve. They're going to get them  
13 ready. We're not ready just yet. We're lining it up.

14 STEVE: We'll definitely do it.

15 JIM KAVANAUGH (aside): They'll definitely do  
16 it. You have Steve's word.

17 STEVE: That's right. There's no problem.

18 JIM KAVANAUGH (aside): No problem. They're  
19 going to do it.

20 STEVE: Just waiting for a break.

21 JIM KAVANAUGH (aside): And you can trust  
22 him, I'm telling you. It's okay. You can trust him.  
23 Steve, he won't break his word.

24 JIM KAVANAUGH: Okay, I got, you know, these  
25 commanders and deputies and stuff.

STEVE: You guys have quite a job there.

1                   JIM KAVANAUGH: The sheriff was asking for  
2 you guys. I just want to pass it on. He's real  
3 concerned. I talked to him earlier.

4                   STEVE: Which one is this?

5                   JIM KAVANAUGH: Sheriff Thorn.

6                   STEVE: Okay, I've never met him. I don't  
7 know him myself, but of course David does.

8                   JIM KAVANAUGH: Yeah, David knows him.

9                   STEVE: He likes him very much and he's  
10 appreciated him.

11                   JIM KAVANAUGH: He's a real gentleman. You  
12 know, I talked to him at length and he just said hey, I  
13 don't want anybody in there to get hurt. Let's work it  
14 out. He's behind you, so I want you to feel good about  
15 that.

16                   STEVE: Well we do feel good about him.  
17 David's met him apparently or talked to him and he  
18 really appreciates him.

19                   JIM KAVANAUGH: Yeah, he's a good guy. I  
20 really believe he is. I know you can size him up fast.

21                   STEVE: I know that any of these guys that  
22 put their own life on the line not knowing what they're  
23 getting into and hearing this and that information.  
24 You can't help but have appreciation for these people.

25                   JIM KAVANAUGH: Sure.

                  STEVE: I try to put myself in their shoes

1 and where they're coming from and try to understand and  
2 I know it's not easy.

3 JIM KAVANAUGH: David's still talking to him.

4 STEVE: Yeah, he is.

5 JIM KAVANAUGH: I think he's going to get  
6 through in just a minute. Well he's getting it out,  
7 I'm telling you. It's hard sometimes to get that out,  
8 you know, I mean you know how much that would cost to  
9 try to buy that?

10 STEVE: Oh, tell me.

11 JIM KAVANAUGH: I mean, probably world wide,  
12 I mean --

13 STEVE: This is about the best opportunity  
14 we've had.

15 JIM KAVANAUGH: It is. I think it's great.  
16 I mean as a result the kids are getting out. I mean,  
17 it it's good. You're making good out of bad. You know  
18 what I mean?

19 STEVE: Right.

20 JIM KAVANAUGH: You're making good out of  
21 bad. We're trying to do good and that's -- hold on  
22 Steve, they're hollering at me. [gap] okay, yeah --

23 JIM KAVANAUGH (aside): Are they on the  
24 ground? The guys with the -- okay.

25 JIM KAVANAUGH: What happened Steve, they  
said they're looking down the road with the night

1 | vision goggles --

2 |           STEVE: Okay.

3 |           JIM KAVANAUGH: There's five of your men in  
4 | the guard shack in the trees.

5 |           STEVE: What?

6 |           JIM KAVANAUGH: They said they're out front  
7 | there. They can see them.

8 |           STEVE: We have nobody. Wait just a minute.  
9 | Jim is saying--

10 |           [gap]

11 |           JIM KAVANAUGH: Are we sure it's none of us,  
12 | right?

13 |           STEVE: -- Honestly, in all honesty, we don't  
14 | have anybody down there. So if there's someone down  
15 | there, it's the National Guard --

16 |           JIM KAVANAUGH: It's not the National Guard.

17 |           STEVE: It's nobody to do with us.

18 |           JIM KAVANAUGH: It's your people. I'm  
19 | telling you straight. It's your people.

20 |           STEVE: We, I'm telling you, we have nobody  
21 | down there, Jim. You're talking about the gate at the  
22 | end of our dirt road, right?

23 |           JIM KAVANAUGH: At the front gate.

24 |           STEVE: We have nobody down there.

25 |           JIM KAVANAUGH: Well, they told me they can  
see them.

1           STEVE: Well, that tells me that, okay I  
2 don't doubt that you're saying that there's someone  
3 down there, but they're not our people.

4           JIM KAVANAUGH: Well, they, they, there's  
5 nobody of ours that close. The only reason is the car.  
6 You know we want the car to come down and get the  
7 children.

8           STEVE: Exactly. Now I'm concerned about  
9 that.

10          JIM KAVANAUGH: So what we need to do is  
11 somehow to check that.

12          STEVE: Well don't you--

13          JIM KAVANAUGH: I'm not sending anybody. I  
14 don't want them to, you know, to shoot anybody.

15          STEVE: Exactly, that's exactly what would  
16 happen, so you know, let's keep that cool yet.

17          JIM KAVANAUGH: Let's keep that cool.

18          STEVE: I want to talk to Wayne about that,  
19 he just--

20          JIM KAVANAUGH: You know, you have my solemn  
21 word.

22          STEVE: Okay.

23          JIM KAVANAUGH: You can send Sita with a  
24 flashlight. We've already let her go back twice.

25          STEVE: Right, I understand.

          JIM KAVANAUGH: You can send her out to look

1 | and if it's your people you tell them to come on back  
2 | in, you know.

3 |           STEVE: Hang on, I'm going to talk to Wayne  
4 | about that, what he passed on there.

5 |           JIM KAVANAUGH (aside): Okay. I'm trying to  
6 | get him to send Sita out with a flashlight to look and  
7 | tell them to come back in.

8 |           STEVE (aside): Yeah, Jim is saying that --  
9 | he claims that they're ours. We don't have --

10 |           STEVE: So what's going on Jim? Can you get  
11 | these guys out of there?

12 |           JIM KAVANAUGH: Well, they're not our guys.

13 |           STEVE: Well, how would you do it? I mean  
14 | how can you get a hold, I mean you must have  
15 | connections.

16 |           JIM KAVANAUGH: No, I mean they're not,  
17 | they're not police. In other words the agents are  
18 | saying they came from the compound.

19 |           STEVE: They didn't though. I swear they --

20 |           JIM KAVANAUGH: You know, I wonder, you know  
21 | what happened, I wonder, a couple of guys earlier --

22 |           STEVE: Okay, right,

23 |           JIM KAVANAUGH: -- came across--

24 |           JIM KAVANAUGH: Chuck, give me the name of  
25 | the man that was arrested, okay? I've got to give  
Steve his name.

1 STEVE: Okay.

2 JIM KAVANAUGH: Okay, a couple of guys came  
3 across that were in your place today.

4 STEVE: Okay.

5 JIM KAVANAUGH: But they're part of your  
6 guys, I mean they're part of your group, okay?

7 STEVE: Okay.

8 JIM KAVANAUGH: And they came from another  
9 house or location, I don't know. Okay?

10 STEVE: Okay.

11 JIM KAVANAUGH: And they came across, one got  
12 away, but one we arrested, he's in good shape,  
13 nothing's wrong with him.

14 STEVE: Which one was arrested?

15 JIM KAVANAUGH: I'm going to get his name in  
16 a minute, Delroy? Delroy? Nash?

17 STEVE: What's his name?

18 JIM KAVANAUGH: I think it's Delroy Nash, but  
19 I'm checking. He's a Jamaican man, a black man?

20 STEVE: Okay.

21 JIM KAVANAUGH: Do you know who I mean?

22 STEVE: Yes, I do.

23 JIM KAVANAUGH: Okay.

24 STEVE: I didn't know that his name was that,  
25 but I guess --

JIM KAVANAUGH: Well that's what he told us.

1           STEVE: Okay. That could be, I just knew him  
2 by a nickname.

3           JIM KAVANAUGH: Okay, so what I'm saying is,  
4 he came from out there, okay?

5           STEVE: Okay.

6           JIM KAVANAUGH: Now, possibly these people in  
7 the front could have came, I mean they could be your  
8 believers, but you know they got there without your  
9 knowing it. You see what I'm saying?

10          STEVE: Okay.

11          JIM KAVANAUGH: They are not police. Because  
12 we wouldn't put them there, you wouldn't send the kids  
13 out, I mean that would be crazy.

14          STEVE: We don't have anybody out there, Jim.  
15 That is the truth. What happened to the other two  
16 guys?

17          JIM KAVANAUGH: The other two guys?

18          STEVE: Someone told me they heard on the  
19 radio that three guys were heading this way, one was  
20 shot, one was wounded, and one was captured.

21          JIM KAVANAUGH: No, we don't -- we had two  
22 guys we saw and captured one. We don't know what  
23 happened to the other one. We don't have him. We  
24 don't know where he is.

25          STEVE: This is what we heard.

          JIM KAVANAUGH: Yeah, I'm telling you

1 | straight. There's two guys in the back, back in the  
2 | woods in the back.

3 |           STEVE: Right.

4 |           JIM KAVANAUGH: And that's when -- remember  
5 | after we'd been talking and later on the shooting  
6 | started, remember that?

7 |           STEVE: Okay.

8 |           JIM KAVANAUGH: And we said, you guys said  
9 | it's not our guys, and it was these guys that came over  
10 | there from somewhere else -- Jamaica--

11 |           STEVE: What kind of a vehicle were they in?

12 |           JIM KAVANAUGH: They were on foot.

13 |           STEVE: They were?

14 |           JIM KAVANAUGH: Uh-huh. So I, I don't know  
15 | if the guys in the front came from the mag bag or  
16 | somewhere else?

17 |           STEVE: That's what I wondered.

18 |           JIM KAVANAUGH: Or, you know what I mean.

19 |           STEVE: Yeah.

20 |           JIM KAVANAUGH: And the only problem then is  
21 | communication. They just don't know what we're doing.

22 |           STEVE: Of course, of course.

23 |           JIM KAVANAUGH: And we, we could have some  
24 | tragedy, so let's see if you and I can come up with a  
25 | way to verify who they are.

          STEVE: Well, that's what I would like to do.

1 JIM KAVANAUGH: Let me think here. I wonder,  
2 could you, could you holler out the front to your guys,  
3 ask them to come in, they have safe conduct, I  
4 guarantee you.

5 STEVE: Jim, I'm telling you for a fact, I  
6 mean it. David, myself, Wayne, all of us here are not  
7 allowing that kind of a thing.

8 JIM KAVANAUGH: Yeah, but you may not know  
9 it. They didn't come from inside.

10 STEVE (aside): Jim thinks that there are  
11 some guys that are either approaching our place or  
12 coming near the place, that are out there near the  
13 guard shack, that might be ours, cause he says it's not  
14 theirs. But isn't there an armored vehicle there also?

15 JIM KAVANAUGH: No, no, that's -- none of  
16 those armored cars are near there. They're down on the  
17 2491 road.

18 STEVE: Can we check that out somehow or go  
19 back, okay, he's going to see about our men and make  
20 sure of the rest of it.

21 JIM KAVANAUGH: Yeah, we've got to work  
22 something out, I mean.

23 STEVE: Oh, definitely. I don't like that at  
24 all.

25 JIM KAVANAUGH: We can get you a bull horn  
somehow. You could call them. You could yell out the

1 window. Is it any of our guys? Come on in, safe  
2 conduct's guaranteed. I mean if it is and they come  
3 in, then we know. You know, I don't want no trouble.

4 STEVE: No, exactly.

5 JIM KAVANAUGH: I mean, it's not going to do  
6 us any good to get a child hurt or something. And, I  
7 know you feel the same. But I'm giving you my solemn  
8 word. I've never told you anything except the truth.

9 STEVE: You know, I believe that.

10 JIM KAVANAUGH: It's not our guys. I don't  
11 doubt that they didn't come from inside, but they might  
12 have been --

13 STEVE: Okay, if it's not ours, you know, I'm  
14 positive it's not, but he's going to check and do  
15 everything possible. If it's not our guys, who do you  
16 think it would be?

17 JIM KAVANAUGH: Well it could be somebody  
18 from the mag bag.

19 STEVE: I doubt it, cause we don't, there's  
20 no five guys that I'm aware of out or you know, away  
21 from us. Other than the one you mentioned--

22 JIM KAVANAUGH: Geez, I don't wonder if it  
23 could be reporters. I doubt that they'd get up that  
24 close.

25 STEVE: So, you did pick up two guys, right?

JIM KAVANAUGH: We picked up one and one got

1 away. You know, the --

2 STEVE: David, I'm talking to Jim right now  
3 and he's telling me there's five guys down there. I'm  
4 assuring him they're not ours, He thinks there might  
5 be some of our guys coming to our place but if there  
6 was they'd come up to the building. Why would they  
7 stay?

8 JIM KAVANAUGH: Well, I don't know, maybe,  
9 maybe they don't know, maybe they're scared. Maybe  
10 they think agents are up in there. Maybe they want to  
11 ambush the car. See, they may not know what we're  
12 doing with the children, is what I'm saying and they  
13 may say --

14 STEVE: Well that's what we're going to do  
15 then, is check on that.

16 JIM KAVANAUGH: Yeah, check on that and hey  
17 Chuck, are they sure there's like four or five people?  
18 Okay, Steve says they don't think it's their guys, but  
19 they're going to try to holler out to them or  
20 something. Okay, that's what I would recommend. Don't  
21 put yourself in jeopardy. [gap] Well, maybe Sita  
22 could --

23 STEVE: Could Sita walk up there and check to  
24 see what's at the guard gate? Sita's going to walk up  
25 there and check it out.

JIM KAVANAUGH: Sita's going to walk up

1 | there, great. Hey, Chuck, Sita's going to walk up  
2 | there with a flashlight. Tell everybody she's going to  
3 | check out who's there. Sita.

4 |           STEVE: The same one that brought the  
5 | children.

6 |           JIM KAVANAUGH: The one that brought the  
7 | children. Steve?

8 |           STEVE: Let's get this resolved, then we're  
9 | going to make the next move where we were before this  
10 | was reported, okay?

11 |           JIM KAVANAUGH: You mean the kids?

12 |           STEVE: Exactly.

13 |           JIM KAVANAUGH: Absolutely.

14 |           STEVE: We're going to send her out right  
15 | now, then.

16 |           JIM KAVANAUGH: You're a good man. Hey, the  
17 | guy we got that's safe and sound is Delroy Nash.

18 |           STEVE: Okay.

19 |           JIM KAVANAUGH: Okay. He's fine.

20 |           STEVE: What happened? There was an older  
21 | man that was down there at the mag bag there. What  
22 | happened with him?

23 |           JIM KAVANAUGH: Steve wants to know about an  
24 | older man at the mag bag, he wants to know about--

25 |           STEVE: His name is Bob.

          JIM KAVANAUGH: His name is Bob. He's still

1 | there.

2 |           STEVE: He's still there at this place?

3 |           JIM KAVANAUGH: Yeah. As far as they know,  
4 | he's still there.

5 |           STEVE: Right now, we're getting ready to  
6 | send her out.

7 |           JIM KAVANAUGH: Is David still on with the  
8 | reporter? [gap] Nobody's going to hurt Sita.

9 |           STEVE: [gap] You heading out there Sita?  
10 | You got a flashlight?

11 |           SITA: Yeah, I got a flashlight.

12 |           STEVE: No kids right now. Just go out,  
13 | check it out, come back and we're going to send two  
14 | more --

15 |           JIM KAVANAUGH: Yeah.

16 |           STEVE: Okay? She's going to be --

17 |           JIM KAVANAUGH: -- She's going out?

18 |           STEVE: Yeah. Call to see if they're ours or  
19 | who they are or whatever. It's very important she  
20 | returns, of course.

21 |           JIM KAVANAUGH: Oh, absolutely. Sita's  
22 | coming out. Tell everybody.

23 |           STEVE: Okay, give her the flashlight. [gap]  
24 | Okay, they're getting ready now. Like us, they're  
25 | concerned.

          JIM KAVANAUGH: I understand.

1 STEVE: I want to tell you, I really  
2 appreciate your telling me that and I'm concerned  
3 myself. I'd like to know who they are and so far I  
4 haven't heard they got -- okay, David just said he  
5 still wants all his kids out.

6 JIM KAVANAUGH: Yeah, we're going to do it.  
7 You have my word, we're going to do it.

8 STEVE (aside): We've got his word. He's  
9 going to do it, so-- [gap] Head out there, okay? I  
10 thought you left already.

11 SITA: There's a van--

12 STEVE: Oh, there's a van there, I guess.

13 JIM KAVANAUGH: Chuck, is there a van there?  
14 Where's the van? It's not there, is it? It's down at  
15 the roadblock, it's not there, no.

16 STEVE (aside): They're saying there's nobody  
17 there, Sita. There's nobody at the guard gate.  
18 There's no vehicle.

19 JIM KAVANAUGH: There's no vehicle. Just  
20 some people.

21 STEVE: There's some people and we're trying  
22 to find out who the people are.

23 JIM KAVANAUGH: Just tell her to walk out.  
24 She'll be safe.

25 STEVE: Walk out. You'll be safe. They're  
guaranteeing that. She's coming right now.

1 JIM KAVANAUGH: She's coming out.

2 STEVE: Yeah. You know, it's funny, I keep  
3 on saying that and then I see her face here again. I  
4 guess they want to make sure that -- someone had  
5 mentioned that there was a van there. I don't know.  
6 You know, I'm in a place, here, I can't tell.

7 JIM KAVANAUGH: Is she walking down there?

8 STEVE: Yeah, yeah.

9 JIM KAVANAUGH: She's coming down. Steve  
10 said she's coming.

11 STEVE: Yeah, she is.

12 JIM KAVANAUGH: Does she have a flashlight?

13 STEVE: Yeah.

14 JIM KAVANAUGH: She has a flashlight.

15 STEVE: She has a flashlight. [gap]

16 JIM KAVANAUGH: Maybe it's somebody she  
17 knows, you know. Can they see?

18 STEVE: Jim, so how long are you going to be  
19 carrying on tonight?

20 JIM KAVANAUGH: Well, I'm sticking with you,  
21 buddy.

22 STEVE: You are, oh, man.

23 JIM KAVANAUGH: For the kids, right?

24 STEVE: I guess we're going to be a couple of  
25 night hawks.

JIM KAVANAUGH: We'll do it for the kids.

1 STEVE: Oh yeah, oh yeah.

2 JIM KAVANAUGH: You got someone to get you a  
3 cup of coffee in there or something?

4 STEVE: Yeah, we've got that.

5 JIM KAVANAUGH: It was kind of cool out there  
6 today. A little rain.

7 STEVE: Yeah, I guess so. It's not like  
8 Hawaii.

9 JIM KAVANAUGH: No. I've never been there.  
10 I bet it's beautiful.

11 STEVE: Oh of all the places I've been in the  
12 world, there was a time I said I'd never leave there.  
13 The only reason I left is for something better. Truth,  
14 catching a vision of eternal life, but yeah, it's a  
15 warm place.

16 JIM KAVANAUGH: Yeah, oh yeah. Kind of  
17 beautiful, the mountains and the volcanos.

18 STEVE: The ocean, you got it. Waterfalls,  
19 pools, trade winds, you really don't need air  
20 conditioning.

21 JIM KAVANAUGH: That would be neat. Not like  
22 Texas.

23 STEVE: No, no. One day it's 40, the next  
24 it's 80.

25 JIM KAVANAUGH: Yeah, I understand.

STEVE: Are you from here?

1           JIM KAVANAUGH: I grew up in New Jersey and I  
2 was a policeman in Florida and I was an agent in  
3 Nashville, Wichita, Washington, Dallas.

4           STEVE: Wow, holy smoke.

5           JIM KAVANAUGH: I go all over the place.

6           STEVE (aside): Jim, he's from New Jersey.  
7 He was a police officer in Florida and he's been in New  
8 Jersey, I mean Wichita,

9           JIM KAVANAUGH: Nashville.

10          STEVE: Nashville, yeah.

11          JIM KAVANAUGH: Country music, got a lot of  
12 them down there.

13          STEVE: You would have liked some of our  
14 music then. We played quite a variety.

15          JIM KAVANAUGH: Kind of like blue grass?

16          STEVE: Yeah, exactly. These guys are able  
17 to play just about anything.

18          JIM KAVANAUGH: I got to tell you, I got a  
19 nephew. He's eleven years old and he can pick a banjo,  
20 it's unbelievable. I don't know how a kid can learn so  
21 fast.

22          STEVE: Eleven years old?

23          JIM KAVANAUGH: Eleven years old.

24          STEVE: The banjo's quite an instrument. I  
25 had a cousin that also played one and I was amazed at  
his ability.

1 JIM KAVANAUGH: Yeah, kids can do any --

2 STEVE: I like that instrument myself. I  
3 wonder, is she down there yet?

4 JIM KAVANAUGH: Can they see her?

5 STEVE: Yeah, I'm wondering here if they can  
6 see her yet. Do they notice her yet from your side?

7 JIM KAVANAUGH: Chuck, do they see Sita?  
8 Sita's back inside, we think. Is she there?

9 STEVE: No, no. She should be outside.

10 JIM KAVANAUGH: Okay.

11 STEVE: Heading down the road.

12 JIM KAVANAUGH: Steve said she's outside he  
13 thinks.

14 STEVE: Yeah, David just wanted to reassure,  
15 just as soon as she gets back in the building, we're  
16 sending two right away then.

17 JIM KAVANAUGH: Okay, as soon as Sita gets  
18 back, we're going to do two more kids. Once we can  
19 get, make sure that there's nobody there.

20 STEVE: I'm really glad though that you told  
21 me that, it helps.

22 JIM KAVANAUGH: Yeah, we got to be straight.  
23 I mean we can't play. Let's deal in honesty here. I  
24 think these could be some folks that you know, I know  
25 you didn't tell them to go there, I believe that. But  
I'm saying they could've went there on their own and

1 | you didn't know it. They're trying to help.

2 |         STEVE: Right.

3 |         JIM KAVANAUGH: All right. Sita's coming  
4 | out. Yeah. Sita's coming out now.

5 |         STEVE: Yeah, they see her?

6 |         JIM KAVANAUGH: Sita, okay, she's coming out  
7 | to check around. [gap] I think they're in the guard  
8 | shack. I think there's two in the guard shack.

9 |         STEVE (aside): He thinks, he thinks there's  
10 | two in the guard shack.

11 |         JIM KAVANAUGH: A couple in some trees.  
12 | Trees I guess across the driveway, in the bushes.

13 |         STEVE (aside): And a couple of trees or  
14 | bushes across the drive. No, none of theirs. None of  
15 | theirs. David is saying again. They're none of ours.

16 |         JIM KAVANAUGH: Okay. We've got to find out  
17 | who's who, you know?

18 |         STEVE: Wow.

19 |         JIM KAVANAUGH: You know, since we've pulled  
20 | our people back, I mean we haven't sent nobody up  
21 | there, but that car to get the kids, I swear.

22 |         STEVE: Okay. [gap] the car that came up to  
23 | pick up the last two or any of the four, was it noted  
24 | then?

25 |         JIM KAVANAUGH: Well, they didn't tell me.

       STEVE: Does anybody there know?

1 JIM KAVANAUGH: Sol?

2 STEVE: Spotted them even then?

3 JIM KAVANAUGH: Let me get through. Chuck,  
4 were those guys there when the car went to pick up the  
5 kids the last time? Did they see them? Okay, the  
6 driver didn't see them.

7 STEVE: She didn't?

8 JIM KAVANAUGH: Okay, but the guys with the  
9 night vision glasses, one in the back, they see them,  
10 they're watching them.

11 STEVE: Wow, I tell you what. I'm sure  
12 curious myself. I mean if they're people we know, I'd  
13 sure like to know who they are.

14 JIM KAVANAUGH: Like I say, if it is, they  
15 just don't know what's what. And, they may be scared.  
16 And, you know, they don't know exactly what's going on  
17 so, maybe Sita can, if she recognizes them, she can say  
18 hey come on in, or you know whatever.

19 STEVE: Right.

20 JIM KAVANAUGH: Or they can walk out, you  
21 know, whatever they want to do. [gap] How's David  
22 doing?

23 STEVE: How are you doing David?

24 JIM KAVANAUGH (aside): He's asking David how  
25 he's doing, but --

JIM KAVANAUGH: Is he getting weak Steve?

1           STEVE: I can see him from where I'm at here  
2 and I think he's listening to the radio.

3           JIM KAVANAUGH: Well, he sounded a lot  
4 stronger to me and I felt good about that. I don't  
5 think, David's off the radio.

6           STEVE: Pardon?

7           JIM KAVANAUGH: David was through with the  
8 radio guy?

9           STEVE: Yes. Yes, he is.

10          JIM KAVANAUGH: Okay. The agent's passing me  
11 a note. Well get him on the phone. I can't get off  
12 this line, but you can get him on another line. [gap]  
13 I wonder how Sita, Sita still out there? Oh, you can't  
14 see her.

15          STEVE: They can. They've got night scopes.  
16 But I'm not in communication with them right at the  
17 moment. What's happening with Sita? Can somebody give  
18 me word?

19          JIM KAVANAUGH: I was just holding, just in  
20 case he asked for me again. Just wait a little while.

21          STEVE: She's just going?

22          JIM KAVANAUGH: I don't know if he'll ask for  
23 them. I'll try to talk him out of it.

24          STEVE: Jim, Jim?

25          JIM KAVANAUGH: Yeah, go ahead Steve.

          STEVE: They said she's just going now. I'm

1 | disappointed.

2 |           JIM KAVANAUGH: That's okay. I understand.  
3 | I was slow in getting that truck down there, I know  
4 | it's not your fault. You know, it's hard. We got a  
5 | lot of people.

6 |           STEVE: Playing again? Oh, I see, they're  
7 | playing the -- [gap]

8 |           JIM KAVANAUGH: Are they talking about David?

9 |           STEVE: Yeah.

10 |           JIM KAVANAUGH: That's good. (indiscernible)  
11 | I just don't want to hang up right now. She hopefully  
12 | can see with that flashlight. It's pretty dark out  
13 | there. You're not at a window where you can see them,  
14 | are you Steve?

15 |           STEVE: No.

16 |           JIM KAVANAUGH: These little children are  
17 | beautiful and --

18 |           STEVE: They're all very well behaved.

19 |           JIM KAVANAUGH: They were, they're just  
20 | gorgeous and they're just so polite and smiling. We  
21 | gave them a cold drink and they've got a lady with them  
22 | and they're fine.

23 |           STEVE: Okay, that's good. One of the worse  
24 | things that reports --

25 |           JIM KAVANAUGH: Tell them to hold those kids,  
just a minute, I'm afraid that the mother of the second

1 | bunch wants to talk to them.

2 |           STEVE: (indiscernible) we, David said,  
3 | there's no one in the shack. The van's not there.  
4 | There's no one in the shack. Where else did she look?  
5 | They said across the street in bushes there were a  
6 | couple.

7 |           JIM KAVANAUGH: A couple.

8 |           STEVE: Right?

9 |           JIM KAVANAUGH: Hold on.

10 |           STEVE: Okay. Guys with night goggles  
11 | watching the road.

12 |           JIM KAVANAUGH: That's probably Sita, right?  
13 | With a flashlight? We seen a lady out from the  
14 | compound on the EE Road. Okay, he said that the team  
15 | sees people pulling back from EE Road. toward--

16 |           STEVE: Hello?

17 |           JIM KAVANAUGH: Steve?

18 |           STEVE: Yeah.

19 |           OPERATOR: This is the operator. I have an  
20 | emergency for 863-5252 from A Current Affair, will  
21 | you--

22 |           JIM KAVANAUGH: No, no. Operator, this is a  
23 | Federal Agent.

24 |           STEVE: Jim, is there any way I could talk to  
25 | them and call you back? Could I?

          JIM KAVANAUGH: I'll allow that, but let me

1 | get the operator first.

2 |         STEVE: Okay.

3 |         OPERATOR: I'm here, sir.

4 |         STEVE: Operator?

5 |         JIM KAVANAUGH: Operator, wait, operator?

6 |         STEVE: This is the number that you want to  
7 | reach and I would like to talk to Current Affair.

8 |         JIM KAVANAUGH: Okay, operator, operator.

9 |         OPERATOR: Yes.

10 |         JIM KAVANAUGH: This is Jim Kavanaugh, I'm a  
11 | United States Treasury Agent, I'm talking--

12 |         STEVE: Jim, can I call you right back? Let  
13 | me, I'll call you right back, or let me, I'll tell them  
14 | I'll call them back, is that okay?

15 |         JIM KAVANAUGH: Okay, yeah, okay.

16 |         STEVE: Okay. Operator, I'm going to call  
17 | Jim right back and I just want to get at least a  
18 | connection with you to talk to you and--

19 |         JIM KAVANAUGH: Operator, okay, and do that  
20 | and I don't want you to break in on the line anymore.

21 |         OPERATOR: Sir, I cannot prevent that.

22 |         STEVE: Okay, well operator, go ahead, thank  
23 | you Jim, I'll get back with you.

24 |         JIM KAVANAUGH: The operator just cut in on  
25 | my line with Current Affair -- give it to him and she  
   | wouldn't not do it. (indiscernible voice in

1 background) Well, they are but I don't know how many

2 -- get this set up--
